

THE CAMERON HERALD

ESTABLISHED 1860

VOLUME NUMBER 96

CAMERON, MILAM COUNTY, TEXAS. THURSDAY MARCH 15, 1956

NUMBER 50

DRAYTON MCLANE, an active member in the Chamber of Commerce for a number of years will serve this year in the office of the President. Mr. McLane is owner of the McLane Wholesale Grocery Company.

BEN MAGNESS, a newcomer to the Board of Directors has been elected to serve as First Vice President of the Chamber of Commerce for the year 1956-57. Magness is district manager of the Humble Oil Company.

CHARLES BURKE, has been elected 2nd. Vice President of the Chamber of Commerce for the 1956-57 year. Mr. Burke is Manager of the Lone Star Gas Company in Cameron.

HOMER LEONARD, who served as a member of the Texas House of Representatives from 1931 to 1947 and Speaker of the House in 1941 and 1942 will be guest speaker at the Annual Chamber of Commerce Banquet. He is billed as a humorous after-dinner speaker.

Annual Chamber Meeting March 20 At 7:30 p.m.

Members of the Chamber of Commerce and their guests will meet on Tuesday evening, 7:30 P.M., March 20th, for the Annual Banquet and Membership Meeting. New officers will be installed for the coming year. Drayton McLane will take over the office of President Ben Magness, will preside. Ben Magness will serve as 1st vice president and Charles Burke will serve as 2nd vice president. Recognition of the following new directors will be made: William C. Black, Bill McIntosh, Don Humble, Ben Magness, Milton Brown, Rollan Carr, A. W. McCullin, and Henry Siebman.

Outgoing President, Bill Burns, who stated upon his election as President at the beginning of last year "There will be a new industry in Cameron before the year is over" knew what he was talking about. Highlighting the events of the Chamber's past year is the success in locating the Walled Lake Door Company here in Cameron. The McCullin Civic Award for 1955 will be presented by the 1954 recipient, Jimmy Asher.

This year, which will grow into an annual part of the program, the Junior Chamber of Commerce will install new officers for the year at the meeting. A crowd of approximately 300 is anticipated.

Morris Spriggs Life Term Upheld By Appeal Court

Morris Spriggs, tried twice on a charge of murdering a Cameron Negro, Taso Dorsey, had his life sentence affirmed recently by the Court of Criminal Appeals. The court will determine a motion for a re-hearing on March 28.

Christ Crusade Plunging Depth Of Cameron Soul

The Cameron Crusade for Christ, a cooperative revival effort, sponsored by the ministerial association of Cameron, and participated in by eight local churches, got underway with a great youth rally in the auditorium of the First Methodist Church, Saturday evening, March 10, at 7:30 p.m.

The Rev. Dickie Spinn of Georgetown brought the inspirational message. J. H. Asher, minister of music at the First Baptist Church, was in charge of the musical program.

This week each of the churches are holding separate services in their respective churches every evening at 7:30 p.m. Joint services are held each morning at the Milam Theatre at 9:30 a.m. with a different minister bringing the message each day. Jimmie Asher is in charge of the music at all of the joint services.

There are four visiting evangelist and song leaders in Cameron during the crusade. Rev. T. A. Binford, pastor of the First Baptist Church, Rosebud, is at the Battletown Baptist Church. Rev. Cecil H. Lang, Jr. is filling the pulpit at the First Presbyterian Church. Dr. Howard J. Jones, pastor of the First Baptist Church, McAllen, Texas is preaching, and Ben Carter from the First Baptist Church, Temple leading the singing at the First Baptist Church.

At all other churches participating in the Crusade the local pastors are doing the preaching. They are: Rev. H. M. Bowley Full Gospel Tabernacle; Rev. C. H. Morris, First Christian Church; Rev. E. J. Davis, Jr., First Methodist Church; and Rev. Donald A. Henderson, Assembly of God.

Other features of the Crusade for Christ are daily radio messages over station KMIL and appearances before various civic and school groups by visiting ministers. Another great youth rally will be held at the auditorium of the Methodist Church on Saturday evening, March 17, at 7:30 p.m., with Rev. Howard J. Jones bringing the inspirational message.

'56 Scout Circus In Waco Held Centex Biggest Boy Show

More than 6,000 boys and leaders from the nine counties of The Heart O'Texas Council have signed to participate in the 1956 Scout Circus, to be held at the Heart O'Texas Coliseum in Waco, April 6-7th.

Clyde Robertson, Council Participation Chairman said that 182 Units in the Council will put on the biggest boy show ever held in Central Texas.

The following units from Tejas District will participate in the circus.

PAC KUNITS: 31. SPONSOR: St. John's Episcopal Church, Marlin; LEADER: R. T. Walker, Jr.; Unit 35, Methodist Men - Marlin, Texas, Lemard A. Gischer; Unit 51, First Methodist Church, Rosebud, Tom Gaither; Unit 53, First Presbyterian Church, Marlin, F. S. Russell, MD; Unit 57, Baptist Men's Bro/Hd, Marlin, Arthur W. Neal; Unit 86, Thorndale Lions Club, Thorndale, E. H. Tiemann; Unit 213, Cameron Lions Club, Cameron, E. O. Schiller.

TROOP UNITS: Unit 56, Group of Citizens, Chilton, Robert A. Goelzer; Unit 57, First Baptist Church, Marlin, Leslie E. Fischer; Unit 83, Methodist Men's Club, Cameron, Allen Dodson; Unit 90 John's Methodist Church, Rock-

dale, Hugh L. Marsh, Jr.; **POST UNITS:** Unit 35, First Methodist Church, Marlin, M. V. Bradshaw; Unit 58, Lott Lions Club, Lott, W. O. Nettles; Unit 84, First Presbyterian Church, Cameron, John G. Solomon; Unit 90, St. John's Methodist, Rockdale, L. E. Gary.

Other members serving on the Council Participation Committee are as following:

Central District - Al Bracken, Waco, Hambro District - Doyle Morgan, Gatesville, Bi-Stone-District - Aubrey Franklin, Mexia.

Tejas District - Harold Baugh, Rockdale, T. B. Wilson Division, Euclia Erby, Waco, Bel-Mi-Rose Division - Wilbur Renfro, Davilla, Texas.

Cub, Scouts and Explorers who will participate in the Circus are now selling tickets. All tickets are 75 cents and children are admitted free when accompanied by adults. All revenue in and above expenses to produce the Circus goes to the maintenance and upkeep of Camp Tahuaya.

Presbyterian Women Hold District Meet At Cameron Church

The Fifth District Conference of the women of the Presbyterian Church U.S. including churches in Temple, Belton, Killeen, Cameron, Maysfield, Lott, Marlin and Calvert met in Cameron on Tuesday, March 13 with "Emphasis on Christian Family Life" as its topic. The ladies of the Methodist church served lunch at the Methodist Church.

W. A. "Bill" Morrison Asks Re-election
Presiding Judge W. A. Morrison of the Texas Court of Criminal Appeals Tuesday announced his candidacy for re-election to a second six-year term.

Magnolia Takes Home \$2,400 Offer-May Try For Double

A right-of-way meeting between the City of Cameron and R. M. McKee, Special Representative of the Magnolia Petroleum Company of Houston found the company asking \$8,000 for land and damages and the City offering to pay \$2,400 for both land and damages at noon Monday. The motion was made by councilman Thompson and seconded by Griffith was to "Split the tax valuation of \$4,800

with the Company on its Cameron property and pay to the company \$2,400 or enter condemnation proceedings." The motion carried. Councilman Stidham voting no. Councilman Schiller not present.

Buckholts Youth Dies Of Injuries

Johnny Ernest Jungmann, 18, died 9:45 a.m. March 8, 1956 at Kings Daughter Hospital, Temple, Texas from injuries received in an automobile accident on the night of February 25. He was enroute to his home on FM Road between Buckholts and Yarrellton, when his car went out of control and hit a bridge.

He was born and reared in Milam County and was a Senior in Buckholts High School. He was active in sports and school activities.

Survivors are Mr. and Mrs. J. H. Jungmann of Buckholts, his parents one sister, Mrs. L. H. Richter of Buckholts and one brother Earvarland Jungmann of Buckholts.

Funeral services were held Saturday March 10 at 3 p.m. at the Hope Lutheran Church in Buckholts with pastor Reverend John Pietsch officiating. Burial in cemetery.

Pallbearers were the boys of the senior class of Buckholts High School.

It was pointed out during the meeting that the Magnolia is the last commercial firm on the street not settled in negotiations for the cities right-of-way purchase.

Councilman Thompson sought to nudge the company representative a little with the reminder that his company has the last of the un-modernized stations on the street and further pointed out that his company stands the most to gain because of their strategic location on the corner where the highways converge.

The company representative showed plans for a new construction on the site which would cost the company \$25,000. He concluded that the land is not the problem but the re-construction cost or "Damage" is his only consideration. He added that the new construction would be a big benefit to the city.

Another Peep

Max McClaren had to be sent back to school. One needs a lot of education to talk to some of the advertisers in this here town.

one does. He is taking Speech, Greek History, Religious Drama and Geology. He doesn't need any current political courses. He feels he is a past master at that subject. Says Shivers and Price Daniels are MEN WITHOUT A PAIR.

Petition Induces Fuchs, Swift To Seek Re-election

Interested citizens of the Cameron Independent School District this week petitioned Dr. C. G. Swift and Leo Fuchs to permit their names to be filed as candidates for re-election.

The terms of office of these veteran board members expire April 7.

According to the petitioners, the

Ada Henderson Production To Show "Texas Under Six Flags"

A Historical Pageant of Texas will be produced by children from grades 4 through 8 of Ada Henderson in the Yoe Gymnasium at 7:30 on Thursday March 12.

All the teachers are cooperating in the production which is designed, according to Wiley Loughmiller, principal, as an entertainment rather than a lesson in history.

An effort is being made to find a place in the pageant for every

student in Ada, which will portray Texas since the days of the Indians through the stage of exploration. Texas under six flags and the story of the development of principal industries to the present time.

Mrs. Leona White is in charge of arrangements. Mr. Loughmiller expressed the hope that all patrons of the district will make every effort to attend the "Extravaganza."

Many Texans Are "Gona Be Sorry" April 16 With No Car Sticker

The Highway Safety Council of Texas today warned Texas motorists that they face the "longest waiting lines in four years" if they postpone inspection of their automobiles nearer the April 15 deadline.

State law requires every motor vehicle in Texas - passenger, car, truck, and bus - to pass an annual check-up on mechanical safety. It is unlawful to operate a vehicle which has not been inspected after the deadline.

Highway Safety Council Executive Director G. C. Morris said today:

"For the past two years, 1954 and 1955, the bulk of private passenger cars have been inspected well ahead of the deadline and there have been no bothersome delays or snarls at the last-minute. This year, however, inspections are far behind schedule and auto owners who wait beyond March will probably have to buck the

Saturday April 7 Set As Trustee Election Date

The Cameron Independent School Board, at a meeting Thursday night March 8, heard a report of the Geren and Son Architects, in which a request was made for bids to be opened at the offices of the Superintendent of Schools on Wednesday April 4 at 2 p.m. rather than the date set earlier which would have seen the bids opened late in March.

The board acted favorably on a letter from the Rogers, Texas school board which contained a request to renew the arrangement by which Rogers Negroes attend O. J. Thomas High School.

The Beale Chapel Colored School building in the Jones Prairie Community was put up for sale and the Superintendent was instructed to notify all bidders that the property is to go to the first person bidding \$750.

The crowded condition on the Jones Prairie bus was discussed and a decision made to request the state for a 54 passenger Ford bus.

The School board election was set for Saturday April 7 at which time two trustees will be elected to fill vacancies left by the retiring chairman of the board Dr. C. G. Swift and secretary Leo Fuchs.

Grandson of Sitting Bull Indian Chief To Conduct Milano Baptist Revival

Chief White Feather, Dr. Teyet Ramar Sitting Bull, will hold a weekend revival with the Milano Baptist Church. These services will be held nightly at 7:30, Wednesday through Sunday, March 14-18. Chief White Feather will be dressed as a Sioux Chieftan at each service.

White Feather, a grandson of the famous Sitting Bull, was born of a Sioux father and a Chippewa mother. He was formerly a "feature organist" with Broadway Theatres and an International Concert Artist, singing in seven languages and speaking four fluently. The New York Times says that he is: "The most gifted American Indian in public life today."

He is a graduate of Shelton College, New York City, and holds degrees from the National Bible College at Wichita, Kansas. He has traveled extensively in the United States, Canada, Mexico, and Europe. He has given command performances for some of the Royal Families of Europe. He has endeared himself to thousands all over the world, both as a concert artist and a humble preacher of the Gospel.

Milam Sportsmen Elect At Fourth Annual Dinner

Milam County Sportsman's Club organized in 1953 with a \$50 gift of W. S. Lamkin, held its fourth annual dinner meeting at Simon and George Memorial Hall Tuesday night with about half the number present prepared for because of the unforeseen conflict with the simultaneous convicts held in Cameron. Most of those present were from Rockdale and other parts of the county said W.

One Hour During Public Schools Week

What I Learned At School...

By James E. "Bo" Patterson

It was not without misgivings that while visiting the Cameron Public Schools Friday, escorted through the system by Student Council vice president Nick Nabours, that I offered to run a foot race with the smallest boy on the cinder track - after seeing Edward Lierman make the 100 yards in 11.8 and the rest of the boys close on his heels I had to back track and changed my tune.

I had to challenge Leo Jackson. He would have taken me up but it was ten o'clock then and he had another class in thirty minutes and there just wasn't time.

Over on the tennis courts I ran into LeRoy Thompson training some youngsters in the art of wielding a wicked tennis racket. I tried my hand at one serve, flubbed the first one but the second one was "right down the alley." LeRoy takes the neophytes and turns them into players for later competition. All Cameron competition this year is in the tripple - A bracket which means

that competition will be tougher. Yoe tennis teams in the past have accounted for themselves in good fashion we were told.

Starting back with Nick Nabours, my escort, I found him in Mrs. Canady's class. He was working on a term theme which will be on "Teaching of Science." Science." He has just finished his bibliography and is now ready to begin work on the outline. He has chosen the University of New Mexico to continue his college work next year. It was said in a three way conversation that Nick has the spirit. He is not interested in

Viva La Seventh Grade Students Pick Up Display

Misses Vera Ann Perrin and Viva Lynn Haney of the seventh grade were their teachers little helpers Monday a.m. when they came to the Herald office and help pick up the fine display of the work of themselves and their classmates. The display attracted wide attention during the past week.

PICTURED ABOVE is a DC-3 belonging to Wesley West of Houston which landed at Cameron Municipal Airport Friday morning. The big plane needed less than half of the length of the 3,000 foot runway to pull up at the hangar and only little more than the 1,200 feet required to land to take off in easy fashion. The three men pictured below are the personable pilot of the plane Ray Goodwin, Harry Rogers, local airport manager and the co-pilot Bill Click. In the inset Harry Rogers is in the act of inspecting the airplane piece by piece. The piece he has in his hand was taken off the craft upon landing and replaced during the day while Mrs. Wesley West visited her daughter Mrs. H. H. Stedman at St. Edwards Hospital.

The cabin of the private plane is luxuriously appointed with the floor completely covered by thick carpeting. Tables at each seat and telephones which serve either as intercommunication or as radiophones with ground. For the benefit of passengers the plane is equipped with massive instruments immediately behind the pilots cabin which show 1. Cabin temperature 2. Outside temperature 3. Clock 4. Compass 5. Air speed and 6. Altimeter.

The aircraft is as complete with wash room and food service equipment as any super railway coach on the rails today. The fuel capacity is 1,200 gallons said the pilot and it takes to the air just as easily with a full load as partially loaded. Goodwin has been with the Wests for six years.

Bo Peeps

By Jas. E. "Bo" Patterson
HOMER LEONARD featured speaker at the Annual Chamber of Commerce Banquet is listed as a humorous speaker. He was once speaker of the House of Representatives. He HAD TO DEVELOP a sense of humor to hold that job.

Met Dr. Gus Evans Sr. the other day. He told of having worked on construction of the courthouse. Said that the stones were chiseled out one by one. Chislers built the old edifice did they? Well it must have been pretty in its day because some picture postals now out show a beautiful WHITE stone building that looks exactly like the old one that is there now. By the way one has offered to come move the courthouse off so a new one can be built.

Heard today that the modern rage of getting people to PETITION you to vote has moved into Cameron. W. Lee O'Fuchs and PRICE DANIEL SWIFT have received the nod from the electorate. Dr. Swift says he guesses he has enough "enemies" who want to make him keep the job a while longer. W. Lee will probably be getting some SAMPLE BALLOTS to teach the chickens to vote with.

Tex George Miller is a uranium

NOTICE TO BIDDERS

Bids will be received by the Cameron Independent School District at 2:30 P.M., Wednesday, April 4, 1956, for the construction of an addition to the O. J. Thomas school. All bids should be addressed to Dr. C. G. Swift, President, Board of Trustees, care of Mr. W. T. Hanes, Superintendent of Schools. Plans are on file and may be seen in the office of the Owner and in the office of the Architect, Preston M. Geren, Architect and Engineer, 1607 F. Worth National Bank Building, Fort Worth, Texas. Plans may be taken from the Architect's office upon deposit of \$25.00. Said deposit will be returned upon submission of a bona

fide bid and return of the plans. Separate bids will be entertained for the General Construction, and the Electrical Construction, and the Mechanical Construction. A certified check or bid bond in the amount of 5 percent of the largest bid will be required of all bidders, and a 100 percent performance bond will be required of the successful bidder.

The building is constructed of reinforced concrete, masonry, structural steel, gypsum roof deck built-up tar and gravel roof, asphalt tile floors, etc. The building contains 18,500 sq. ft.

Dr. C. G. Swift, President
Board of Trustees
Cameron Independent School District 50-2tc.

RESOLUTION

AND
ORDER OF ELECTION

WHEREAS, the Laws and Ordinances of the City of Cameron and State of Texas require the holding of a regular annual election of officers of the City of Cameron, Texas for the two years beginning with the first Tuesday of

April, A. D. 1956.

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, THAT:

1. An annual election shall be held in the City of Cameron on the 3rd day of April, A. D. 1956, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit:

MAYOR OF THE CITY OF CAMERON, CITY COUNCILMAN OF THE CITY OF CAMERON - PLACE NO. 1, CITY COUNCILMAN OF THE CITY OF CAMERON - PLACE 2, (to succeed Alderman Roy Griffith and Milton J. Schiller).

each for the two-year term ending the first Tuesday in April, 1958; and it is so ordered.

2. Said election shall be had at the City Hall in the City of Cameron on the said third day of April, 1956, from 8 o'clock a.m. until 7 o'clock p.m. and the following named persons are hereby appointed managers of said election:

B. J. Matocha, Presiding Judge,

George McGehee, Judge,

Dan Gunn, Clerk, and Irene Williams, Clerk, and such other judges and clerks, as may be appointed by said Presiding Judge, to assist in holding said election, in accordance with the laws and ordinances governing in such cases. The manner of holding said election shall be governed by the relevant statutes of the State of Texas and the Charter and Ordinances of the City of Cameron governing elections.

3. A copy of this Resolution and Order of Election, signed by the Mayor of the City of Cameron shall serve as a proper notice of said election; and the said Mayor is hereby directed to cause notice of said election to be posted at the door of the City Hall in Cameron, and at one other public place in said City, and to be printed in the official newspaper of said City, or other newspaper printed and circulated therein, for at least three consecutive times, the first publication in each instance to be at least thirty days prior to date of said election.

OFFERED BY

ALDERMAN Milton J. Schiller PASSED BY UNANIMOUS VOTE of ALL Aldermen, at a regular meeting of the City Council of the City of Cameron on Tuesday, the 21st day of February, 1956, the same being the third Tuesday in said month; AND APPROVED on February 21, 1956 by

O. B. Horstmann
MAYOR, CITY OF CAMERON, TEXAS.
Neomi Needham
CITY SECRETARY OF THE CITY OF CAMERON, TEXAS. 48-3tc.

CARD OF THANKS

We take this means of expressing our sincere appreciation to our friends and neighbors for the many kindnesses shown us during our recent bereavement.

Marlow People Honor Bride Of Hollie Hairston

A shower at the Marlow School recently honored Mrs. Hollie B. Hairston, Jr. a bride as of Sat. February 24.

The recent bride was feted by gifts and games in her honor with Mrs. Morris Coward and Mrs. George Jones as co-hostesses at the school.

The February betrothal was a candlelight ceremony at the Church of Christ of Damon. Thed. is E. Wood of Texas City officiated at the double-ring ceremony before two large candelabra flanked by two baskets of gladiolas, stock and fern.

The former Miss Joy Marie Hoelwyn is the daughter of Mr. and Mrs. Henry Hoelwyn, Jr. of Damon and Hairston is the son of Mr. and Mrs. Hollie B. Hairston, Sr. of Cameron.

The bride, given in marriage by her father, chose a white Chantilly lace gown over taffeta. It was fashioned with a high neckline enhanced with seed pearls. The bouffant skirt was floor length. She carried a bouquet of white carnations and lilies of the valley.

Evelyn Matula Davis attended the bride as maid of honor. She chose a white lace gown with a red carnation corsage. Marcia Lynn Hoelwyn was her sister's flower girl.

Max Arrington attended the groom as best man.

Bonny Wood, Lavyn Wright and Sue Boyd sang "Always" and "Because" with no instrumental accompaniment.

For their wedding trip to Victoria the bride chose a gray flannel suit with white corsage. Up-

on their return they will make their home in Old Ocean.

Mrs. Hairston is a graduate of Needville High School. Mr. Hairston is a graduate of Yoe High School and is employed by the Phillips Petroleum Company as a laboratory technician.

First Graders Health Lesson Shown At Herald

The Cameron Public School window at the Herald this week is the one described in the story in this paper of "What I Learned". It is all about Health For Hank and Hannah.

This unique bit of dramatization of proteins, calories and vitamins in the form of dressed up and named fruits and vegetables etc. was placed in the window by Miss Nell Mayes and Mrs. Martha Harris of IX and IW classes.

Benny Banana looks like the perkliest and the "freshest" one of the dudes in the window but you'd better hurry down because towards the end of the week, his age shows up on him fast.

Third Poultry Meet Scheduled At National Hall

All poultrymen and interested egg producers are invited to attend the third poultry meeting held by the Ideal Hatcheries in an all out effort to encourage more egg production in Milam County.

C. W. (Red) Crawley, Western Regional Poultry Manager of Ralston Purina Company will be the principal speaker when the meeting is held at National Hall on Monday night March 19 at 8 o'clock.

TB Association Annual Meet At 8 p.m. March 20

The Annual meeting of the Milam County Tuberculosis Association will be held Tuesday March 20 at 8 p.m. at the Milam County Courthouse in Cameron.

Speaker for the occasion will be Robert B. Morrison, M.D., Specialist in diseases of the chest, from Austin.

If you bought Christmas Seals in 1955 you are a member of this Association. Come and bring a friend.

The Milam County Tuberculosis Association was officially organized in December, 1954, too late for a Seal Sale to be conducted locally but entitling the local association to fifty percent to the Texas Tuberculosis Association.

The objectives of the Association are:

To spread information about tuberculosis, how to prevent it and the need for its control.

To find unknown cases of tuberculosis in the county and to try to get them hospitalized and, if cured, to help in their rehabilitation.

To work toward co-operation of the community and all health and welfare agencies for the eventual eradication of tuberculosis.

Mr. and Mrs. A. H. Halberdier, Mrs. Fortenberry and children attended a family reunion recently at the home of Mr. Halberdier's sister, Mrs. Adam Wagner in Nordheim, Texas.

W. T. Hanes Represents Centex On State Accreditation Commission

Cameron Public Schools have, for a second time recently been signally honored by the appointment of Superintendent W. T. Hanes, as the only Central Texas member of a 23 member State Commission On Accreditation of Public Schools.

This time the appointment of Hanes came from head of the State Board of Education Judge Ben Ramey of Tyler. The earlier appointment of the Cameron educator was to the Whitehouse Conference with his appointment coming from the Governor.

On the Accreditation Commission there are College educators, Public School Superintendents and Members of School Boards from all over the state.

At an organizational meeting in the Board Room of the State Board of Education in Austin Monday, March 12, G. E. Thompson, Kermit School Superintendent was made chairman and Dr. Tom Portwood Supt. of San Antonio Schools vice chairman.

The advantage to the Cameron Schools said Hanes is that he will be in on the ground floor and know by comparison with other schools where the Cameron curricula can be improved and he will be enabled by that knowledge to make such improvements from time to time.

Next meeting of the Commission will be in the summer at which time reports of schools who seeking accreditation will be considered.

All Saints Has Bright Future Believes Bishop

The rectory of the All Saints Episcopal Mission at 1700 North Harding has now been sold and Bishop John Hines informed Rev. Scott Irvin that in the near future the Diocese of Texas will underwrite the purchase of other property and building of a modern rectory for a full-time minister of the Cameron charge. Reverend Irvin will become Rector of the Rockdale Episcopal Church in June.

Bishop Hines expressed optimism about the future of Cameron All Saints, said Reverend Irvin.

On Thursday, March 22 the Rev. Jim McKeown will return to the All Saints Mission to hold the mid-week Lenten service and a fellow-

ship is scheduled to follow the service at which time the hope is expressed by Rev. Irvin and the vestry that all who know and care to visit with Rev. McKeown will be at both the service and the fellowship following which has been planned "For Auld Lang Syne."

The Reverend Tom Morris of the Seminary in Austin held communion service and sermon on the first Sunday of March.

County Right Of Way 80 Percent Complete On 36

Meeting of Milam Commissioners was cut short Monday due to the death of a brother of Commissioner Byron Neal in Amarillo which necessitated his absence.

In the short business session, at the request of the Board of Aeronautics a Milam County Airport ordinance was passed with the expressed purpose of protecting the air traffic pattern at the Hearne Jet Air Base. The ordinance will prohibit the erection within 50,000 (fifty-thousand) feet of the center of the 7,000 foot long strip anything that would interfere with the safe landing of planes. For instance a Television antennae more than 1,000 feet a Gause would be prohibited. As the ordinance reads No obstruction rising more than 1,000 feet at Gause will be permitted, within the safety perimeter.

A short discussion of the remaining problems on Highway 36 Right-Of-Way was held and doodling figures showed that approximately 80 percent of the right of way has now been signed, sealed and delivered to the county and most of the relocation of fencing has been accomplished.

Further business of the commissioners will be heard on Thursday.

Garden Clubs Of District Five Meet At Austin

District Five of Texas Garden Clubs Inc., held their annual spring meeting at the Commodore Perry Hotel in Austin Tuesday, March 13 according to district Governor Mrs. Jim Weatherby of Goldthwaite.

District Five, the "Heart of Tex-

as" division of TGC comprises 30 counties in this area, Bryan, Austin, Waco, Temple, Corsicana, Lampasas and Hamilton and Cameron are some of the towns included.

Mrs. D. A. Paryear, state president, spoke at the luncheon meeting of the one-day convention.

A demonstration and style show featuring corsages were presented by Mrs. Garland Barcus of Austin.

Attending from the Cameron Civic Garden Club were Mrs. Leo Fuchs, president and Mrs. R. G. Grabelin, president elect.

Farm and urban families grew an estimated 567,000 home gardens last year. Extension horticulturists reported these gardens produced an estimated \$39 million worth of vegetables. The 1956 gardening season is here.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 7.364 miles of Gr., Strs., Base and Surf. from FM 437 at Bell C. L. south to Val Verde; and from FM 487 at Bell C. L. east to Davilla on Highway No. FM 437, and FM 437 covered by S 933 (4) and S 2109 (1), in Milam County, will be received at the Highway Department, Austin, until 9:00 A.M., March 20, 1956, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of Joe G. Hanover, Resident Engineer Hearne, Texas, and Texas Highway Department, Austin. Usual rights reserved.

Cotton Planting Dates - March 20 - May 31

By County Agent J. D. Moore Cotton farmers are cautioned by Pink Boll Worm Officials not to plant cotton in Milam County before March 20 as a step to control early migrating pink boll-worm moths.

This practice is based on the theory that if no cotton is planted before March 20, there will be no squares present in which to deposit eggs laid by the early moth, the first generation moth will die without producing the early generation of pink boll worms usually produced in early planted cotton.

Milam HD Council Plans District And State Conventions

The Milam County Home Demonstration Council met Feb. 27, in the First Baptist Church annex in Cameron.

The meeting was called to order at 2 o'clock by the Council chairman, Five Council officers, four Committee chairmen, Nine presidents, Nine Council delegates and several roll call.

The District convention will be held in Hillsboro April 23-24. The National and State Convention meets in San Antonio, Sept. 23-27.

Polio Vaccine Again Takes The Limelight

Publicity regarding polio vaccinations is being increased locally. The director of the Health Unit spoke to several groups regarding this valuable preventive measure and participated in a question and answer broadcast over KMIL. A survey of polio vaccinations given by private physicians and number of reported reactions is being made. This will be published as soon as tabulated. An increasing number of inquiries are made daily about the Salk Vaccine.

Some of the questions frequently asked regarding the vaccine are: Q. What is the dosage schedule now recommended for Salk poliomylitis vaccine?

Answer: Two doses of 1cc each. The second given four to six weeks after the first, with a third booster dose of 1cc given at least seven months after the second injection.

Question: Is a single dose of vaccine effective?

Ans. One dose of Salk vaccine is not expected to give protection against paralytic polio. However in 1955 reports from areas where children had received only one

dose of vaccine indicate that a single injection gives some protection. Nevertheless in order to provide maximum protection the full schedule of injections should be given.

Question: Will children have to receive a booster shot each year in order to insure protection?

Answer: Probably not; but how often remains to be determined by future observation and research. Some children who were vaccinated by Dr. Salk over two years ago still have high level of immune bodies.

Question: How long after the first injection can the second one be given and still produce an effective immunization?

Answer: The sensitization effect of the first dose is not lost, if the second dose is delayed for as long as six months to a year; however, best protection cannot be expected until the complete series of three injections has been given. More Questions and Answers will be given in ensuing issues regarding polio vaccine.

SCHOOL —
making money alone as evidenced by his choice of the teaching profession. Nick is a fine looking boy and it is easy to believe that whatever he goes into he will succeed.

In the Ada Henderson Library Miss Louise Jamison, the Librarian, told of the dire need for books on Texas—both fiction and non-fiction. While browsing through one of two brand new reference books on Texas we found an item of interest. It said CAMERON, Texas (DeWitt County)...well...but then in the last paragraph it explained that the town faded away toward the end of the nineteenth century. Next listing was Cameron, Milam County Texas. There are nearly 300 books checked out of the Ada Henderson library each day.

Over in the Homemaking Department, that's our love in that school. The Future Homemakers Clubs, that is, because they are always doing something and they are proud enough of their doings to tell everybody about it in the Cameron Herald. Mrs. Albert Edmonds was holding a class of the pretty young co-eds and we asked her to have some of them recite for the benefit of Mrs. Vogel-sang who was a visitor and Nick and me. What are the basic seven foods she asked. They are: 1. Green and yellow vegetables 2. Citrus Fruits 3. Meats 4. Poultry, fish and cheese 5. Milk 6. Butter or fortified margarine and 7. White potatoes or other white vegetables such as corn and squash.

Reciting was Laura Swift, Marie Mueck, Pauline Hubnik and Carole Boyles. The next thing the girls in Homemaking One will study is the Meal Services which are 1. Formal or Russian 2. Informal or English and 3. Family or compromise. Compromise at the family table undoubtedly means that if you will leave some of the food in the bowl in front of you I'll leave you some of this and therein is the compromise. Is that right Mrs. Edmonds?

In the auditorium the guide told of the interesting programs put on at assembly. This activity was at one time under an "Auditorium teacher" while now the student Council, under their sponsor Mrs. C. L. Canady, plan the programs. The last one held at the Thursday Assembly was on the subject of the Revival now in progress.

Joyce Nicholson spoke on "What the Crusade For Christ Means to Me." Betsy Vogelsang led in a prayer; Nick Nabours read from Ec: 12-1 through 7 and 13-14; Jimmy Markham led the singing while the "Natural born Emcee" Tom Collins did the interlocutory honors. Reverend John Solomon gave the viewpoint of the ministry on "Importance of the Crusade." Johnny Solomon represented the First Presbyterian Church on the student activity.

More about the Student Council was gleaned from the Chant periodical which the staff was busily printing at the time I arrived. One story told of the Student Council delegates and their sponsor attending the Twentieth Annual Conference of the Texas Association of Student Councils at Midland on March 1-3.

Annetta Sheldner has already covered the topic of the meet in the last issue of the Herald but in

the Chant the Council went on record to wit: "You, as students, can expect a better council in the future and you may be called on to help make Yoe High a better school."

The "Nosey Newser" indicates that "Spring Is In The Air" and it's showing all over the pusses of some of the love-sick males and females at school.

"Live Today and Like It" is a noteworthy bit of editorializing in the Chant with no By-line. (The writer doesn't get credit for it). "Sure, we should have a plan of action, a goal to work for, a design for living, in our subconscious mind. But we should carry out this plan one step at a time. The present, this moment, now, is all that we actually have to work with. Yesterday is gone, and tomorrow has not yet come."... Then concluding the editorial admonishes "If we are not to be caught in a vicious cycle of everlastingly preparing for tomorrow, we must adopt an attitude of 'Now-mindedness' and remember to live today and like it."

Sale of the Yoe ANNUALS goes off in about two weeks.

A SENIOR PERSONALITY I'd like to also pick up from the Chant goes like this: He's the proverbial "ball of energy." He's six foot one inch has light brown hair (crew cut) blue eyes, and next May 22, he will be eighteen. If you haven't guessed by now, his name is Nick Nabours.

Nick's favorite song is "Moaning Low," and his favorite food is broiled steak. He likes the color blue, baseball, and his hobby is "girls." His idea of an ideal girl is one that isn't too tall, has brown hair, likes to have fun, has a changeable personality and one who is not idealistic. (I don't know why because Nick seems pretty ideal).

Nick has been a member of the Library Club for three years and is now vice president. He has served on the Student Council three years and is vice president now. He has also been a member of the History Club for three years and is serving as president at present.

In one-act play try-outs suspense was supreme the Chant reporter says. Winning players in "Love Errant" are Eve-Jimmie Rae Colburn; Ann-Joyce Nicholson; Jim-Tom Collins; Guy-Nick Nabours.

Leaving Nick at Ben Milam where I expected to see Mr. Hanes the "Show-case" caught my attention. The Banner line atop the display said "HEALTH FOR HANK AND HANNAH" and then the vegetables and fruits were all dressed up with faces and clothes. There was Ola and Oma Onion and Letty Lettuce, Andy Apple and Tillie Turnip, Carol Carrot, Mrs. Yam and Tommy Tomato, Carrie Cabbage, Callie Cucumber and Bennie Banana.

Also pasted up and in the display case was the Schools Week Proclamation by Governor Allan Shivers and I might add with protruding chest an editorial by Jas. E. "Bo" Patterson.

I went in to compliment Mr. Hanes on his fine school system but since he'd just left I had an interview with Mrs. Clement, his secretary, on the school board meeting the night before as taken from her minutes.

Well, maybe not everybody

would be as nose-y as I was but there is a lot anybody could have learned at school last week. I surely did eye those erasers on the blackboards in the rooms and think of the job I used to fight for at Reagan in Temple. I was the best "Eraser Monitor" ever to come out of Reagan.

MAGNOLIA —

struction is necessitated by the fact that the state right-of-way would split the pump Island.

Nothing was concluded but the offer of \$2,400 by the city was to be taken back to his company by McKee.

At this meeting an agreement was reached wherein the city will run a six inch sewer main to the colored project of the Camer-

Miss Kay Cox

Letter Reveals Scholarship For Miss Kay Cox

Miss Kay Cox, daughter of Mr. and Mrs. Francis Cox, 803 E. 12th in Cameron graduates from Yoe High this spring. Mr. Cox is band director at Yoe and his daughter is a music major. The following letter was received from the Department of Music at Sam Houston State Teacher's College where Kay expects to attend next year.

SAM HOUSTON STATE
TEACHERS COLLEGE
HUNTSVILLE, Texas

March 2, 1956

Kay Cox
Cameron, Texas
Dear Kay:

As a result of your recent audition here at Sam Houston we feel that you are an outstanding piano student and deserve one of our Scholarship Foundation scholarships. This is the best scholarship that we offer here at Sam Houston and pays \$90.00 per semester as long as you maintain a high level in your work here with a major in piano.

We would appreciate hearing from you regarding your acceptance of this scholarship prior to May 1st of this year. Thank you for being patient in waiting to hear from us regarding our decision in this matter.

If you will remember, Kay, I judged you several years ago in Waco, and felt at that time that you had great potentials. We feel honored that you and your parents will consider Sam Houston as a place for you to do your college work.

Sincerely yours,
G. A. Conrey
Acting Head
Department of Music

Dr. McDonald moves his dental practice to Cameron from Mart. He will have an office in the Citizens National Bank Building. Dr. McDonald is a graduate of Baylor University Dental School in Dallas.

He is a member of the Lions Club, a Mason, is a past master of the Mart Lodge. He is past president of the Central Texas Texas Dental Society and recently held the presidency of the Mart Lighthouse Club.

The couple are members of the Presbyterian Church.

On Housing Authority under the chairmanship of Narvie L. Caperton, at a \$9 per year minimum on connections guaranteed by the Housing Authority. The anticipated returns to the city will show a little profit after ten years with a return of approximately \$4,500. The Housing Authority turned in a list of 24 householders on the route to the site of the settlement signed up for laterals. This was an encouraging factor in the negotiation insofar as the city was concerned.

On the subject of the water extension the subject was deferred until the whole water committee and Superintendent Hefft could meet and be assured of conformity with the ordinances pertaining to same.

A swap of frontage on the property sold to the State Highway Department in return for more depth in the States five acres acquired from the city at the site of the City Airport was considered.

O. L. Crane, assistant district engineer, from Bryan acceded to the request of the City for and in behalf of the Airport Manager Harry Rogers to set the fence line back eighteen feet on the east side with a like square footage to be gained in the depth of the five acre plot sold to the highway department. The arrangement will allow more parking space at the airport. Crane explained that the deeds would remain the same for the present but on insistence of Councilman Thompson new field notes will be supplied by the Highway Dept. to adequately delineate the new bounds which will be in effect when the deeds are written

to incorporate the exchange. Any move to change the deeds at this time, it was explained by Crane would further delay the building which is ready now for letting by the State. The building has already been held up for two years and it is the desire of the department to expedite same.

A letter of resignation from N. J. Johnson from the Street Department was read.

SPRIGGS —

ly, said "In the first trial of this case in this court, tension was very high, tempers short and brittle and feelings stong, with the then County Attorney (Jim Miller) trying the case in the press and on the political forum."

The shooting occurred April 19, 1953, in Cameron. The first trial began Nov. 16, 1953. A reversal followed soon after, and the case remained pending in Judge Graham's court until August 24, 1955 when trial began in Falls County.

STICKERS —

longest waiting lines in four years to comply with the law." Morris estimated that more than 150,000 automobiles a week would have to be inspected during the next five weeks to complete check-ups before the April deadline.

PEEPS —

tycoon nowadays. Thinks he will offer his hamburger patrons the opportunity to sit on a hunk while they eat, for a small charge high way patrolmen may sit FREE. (Professional courtesy.)

Hear about the man who was "Killed by a Weasle?" He crossed the train track and didn't hear the weasle. Slinks don't it?

The 1956 "Map of Extinction" may be chosen on the basis of the amount of clay he locates in Milam County. I nominate here and now our esteemed retiring prexy of the C of C President Henry Clay Burns.

A letter to Mrs. N. L. Jink; received recently reads in part Dear Grandmother:

We have a calf without a tail and looks so funny. The cow that had it is a jersey cow. Love Daniel. Then he adds P.M. (PM correct.) Please write soon.

DO YOU KNOW HOW TO VOTE? If not just stand by and one of the politicos in the city race

es will show you how with a SAM- PLE ballot. Don't get all confused though and happen to take one of these "reminders" to the polls with you (it aint Hoyle.)

Matter of factly there is a lot of un-Hoyle things that might be printed...it gives us the "willies" I wanna claim FIFTH AMENDMENT. Why even things I don't care to print are being held against me. The courts are supposed to offer a remedy for many of the things a citizen feels is reprehensible but many an officer of the law has to bite his tongue and say nothing about certain violations because no one will FILE A COMPLAINT. No one will testify against the offender. Many is the time that an attorney is left holding the bag because a COMPLAINING WITNESS fails to testify. Ask the honorable County

Attorney in and for the county of Milam if that is not true.

SPORTSMEN —
T. Whitaker, one of the charter members.

Elected to succeed Bartow Jackson as president of the County organization was Albert Edmonds of Cameron and Alcoa his vice president will be Bob Orr of Cameron and Secretary Treasurer will be Don Edmonds. The new directors will be James Barr, E. L. Wilson, Bob Nelson and Walter Lester.

Movies from the State Game and Fish Commission were shown

From 1950 to 1954 the number of farms in the U.S. with some chickens four months or older declined 19 percent. In the fall of 1954, 71 percent of the nation's farms had on hand some chickens.

Ford offers you 225 hp.

Come in
and we'll prove that
you get more GO for your
dough in a **Ford V-8**

For Top Performance in your kind of driving !

You get horsepower that makes horse sense in Ford's new 225-h.p. V-8. The purpose of this new horsepower is more torque... more rotating power to turn the wheels of your car. With more torque you get greater response—quicker getaway, swifter passing power. You'll find it the silkiest, quietest, thrilling engine you ever commanded. You get top performance for your kind of driving!

This new 225-h.p. Thunderbird V-8 engine has a displacement of 312 cu. in.—which makes it the biggest engine by far in the low-price field. And it is available in all Fordomatic Fairlanses and Station Wagons, at slight extra cost.

Equally important, these new 225-h.p. engines are rolling off of Ford's production line now. So plan to see your Ford Dealer soon. He'll be glad to show you why you get more GO for your dough in a Ford V-8!

Spring Frocks For Easter Parades

FRESH AS A SPRING BREEZE—crisp and colorful as a new blossom—that's the look for Easter. Shown here are two dresses sure to be your pets through all the balmy days... when spring fever strikes so recklessly. The one-piece printed silk and cotton sleeveless dress (left) has the new torso waistline and a tricky, flattering criss-cross neckline. Available in turquoise (stolen from a robin's egg) sky blue and soft blush pink. The one-piece printed sateen cotton (at right) has a full, full skirt gathered into deep pleats at the low torso. Tiny cap sleeves, a demure sweetheart neckline and a peek-a-boo ribbon belt complete a dainty picture. In turquoise, green and gold. Both dresses in junior sizes 7 to 15 at Penney stores—Easter fashion centers.

★ News From Burlington ★

MRS. GEORGE LOGAN

Mr. and Mrs. Fred Bailey and family of Lake Jackson were here and at Rosebud last weekend and attended the funeral of Mrs. Bailey's uncle, Mr. Lange at Calvert on Friday.

Mr. and Mrs. Terrell Prescott, Mr. Prescott's brother Dan Prescott in Waco recently for a visit to Mr. Prescott's brother Dan Prescott who had a heart attack and is a patient in a hospital there. His friends hope he may soon be well.

Friends here of Mr. John R. Wright of Houston have received word that he is very ill in a hospital in Houston.

Mr. and Mrs. Gerald Foshee and family left for Houston Friday in response to the sad news about Mr. Wright.

Mr. and Mrs. Phil Krause and Judy left Friday for Tyler, Tex. for a visit to Mrs. Krause's brothers, Joe and John and families for the weekend.

Quite a few friends here of Mr. A. W. Buffington of Ben Arnold attended his funeral at Ben Arnold Tuesday P. M.

Mrs. Julius Cabron has charge of the Red Cross Drive which begins here soon.

Quite a few friends and relatives from here attended the Davenport-Herrington wedding at McKinney Tex. Tuesday night.

The Pageant which was to have been given by W.M.U. and others Sunday night, March 11 has been postponed and will be held Sunday night March 18.

Billie Wayne Glass, son of Mr. and Mrs. W. F. Glass of Burlington, Tex. enlisted for the U. S. Navy for 4 years. He left Dallas March 1st for San Diego, Calif. by airplane for his training.

The Burlington folks received the following invitation: "You are most cordially invited to attend a Bridal Tea honoring Mrs. Henry Davenport Jr. Sunday March 11th from 2 till 4 P.M. at D. Brown Library" signed Mrs. Ollie Mode, Mrs. Floyd Swanzy, Mrs. Bill Benesh, Mrs. Florence O'Neal, Mrs. James Vickers, Mrs. Bill Matyas-tik, Mrs. Sam Lynch, and Mrs. Lewis Newman. Quite a few attended.

Mrs. Roy Lindsey led in prayer meeting Wednesday night. There were 12 present.

The W.M.U. met Thursday Mar. 8 with 9 present. Mrs. Janice Schulz led in a Bible Study in "Favorite Bible Passages".

Mrs. Rogers passed out parts for Mission program in Royal Service for next meeting. The subject will be "Make Me a Channel of Blessing."

Quite a few friends and relatives here attended the funeral of Miss Valine Nunsch at 9 a.m. at the Westphalia Church of Visitation, Saturday.

Mr. Frank A. Brock Dies At Hospital Buried Wednesday

Mr. Frank A. Brock, born July 4, 1886 died at the age of 70 after 23 years in Camero, at 1 a.m. Wednesday March 7 at St. Edwards Hospital.

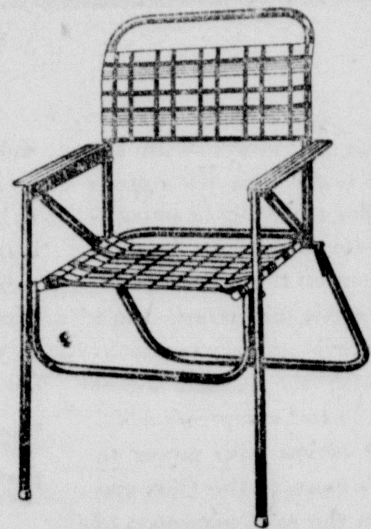

Funeral Services were held at 2 p.m. Thursday from the Mark-Burns Funeral Home with interment in Walker's Creek Cemetery with Rev. Aubrey Russell officiating.

Survivors include his wife Laura of 902 North Travis. Two sons, Vance of Camero and Frank of Milano; Two daughters Mrs. J. B. Cammer of Dallas, Mrs. C. E. Moses of Conroe and Three brothers, Jess Brock of Camero, and Tom Brock of Las Vegas, Nevada and Ardie Brock of Flint, Michigan; Two sisters, Mrs. Larry Hackbeil of Camero and Mrs. Truett Blaylock of Ingleside. And five grandchildren.

Pallbearers were Walter White, LeRoy Massengale, Bob Wells, E. L. Wied, Johnny Schmidt, Grady Allen, John B. Henderson, and Carl Black. Honorary Pallbearers were Woodmen of the World.

Mr. and Mrs. Vince Lesikar have just returned from Baton Rouge, La., where they have been guests of their son.

Alcoa Earnings And Production Surge Upward Report Reveals

Sales and earnings of Aluminum Company of America reached record levels in 1955, according to the company's annual report released today.

Net income rose to \$87,000,808 an increase of 41.53 percent over the 1954 level. Total revenues from sales, services and other sources amounted to \$848,745,207, as compared with \$713,004,925 in 1954. This represents a net income per share of common stock of \$4.18, as compared with \$2.95 in 1954, after giving effect to a two-for-one stock split in 1953.

The report, signed by Board Chairman Arthur V. Davis and President I. W. Wilson, stated that this substantial gain can be attributed mainly to intensified sales promotion activities, broader application of aluminum to established civilian uses and a higher level of general economic activity.

Production of primary aluminum for the year was about 702,000 tons, a peacetime record for Alcoa. During 1955, however, demand for metal continued to exceed the capacity of the industry to produce.

New smelting facilities completed during 1955, or scheduled for completion during 1956, will be capable of producing approximately 76,000 tons of primary aluminum annually, according to the report. Studies are currently well advanced with respect to the construction of a new smelting plant designed to produce approximately 150,000 tons of aluminum per year.

Alcoa also intends to build an alumina plant adjacent to the Point Comfort, Texas, smelter, and has filed an application with the Federal Power Commission for a license to construct a new dam and hydroelectric facilities on the Yadin River near Badin, N. C. Fabricating facilities will also be enlarged.

Because of an increase in costs of labor, materials and services during the past year, upward adjustments were made in the price of aluminum during 1955, bringing the price to \$22.5 cents per pound for 99 per cent aluminum pig and 24.4 cents per pound for 99 per cent plus ingot. It was pointed out, however, that aluminum has continued to retain its highly favorable price position as compared with competing materials.

The report stated that the future of aluminum appears most

promising. Significant developments are taking place in several markets, and new fields of application are being opened through the company's research and development work. There is every indication that the favorable trends of 1955 will continue in 1956, and long-range prospects are equally encouraging.

Rabbit Army Corps Helping Research Save Farmers Crops

Peter Rabbit is in for a surprise this Easter. When he returns this year he will find Flopsy and Mopsy Cottontail urgently at work

helping to save Farmer Jones' crops.

The USDA has organized a rabbit blood bank to provide serum for testing young plants for such virus disease as barley-strips mosaic, bromo mosaic, and others that cause heavy losses every year to growers of small grains.

The "Rabbit Bank" owes its existence to the finding that viruses, whether in plants or animals, are made up largely of proteins, will produce antibodies in response to an injected virus.

Virus from the juice of diseased plants is injected into rabbits. Their reaction is similar to that of humans injected with small-pox vaccine. They don't get the disease, but antibodies, specific for the particular virus injected, are built up in the serum portion of their blood.

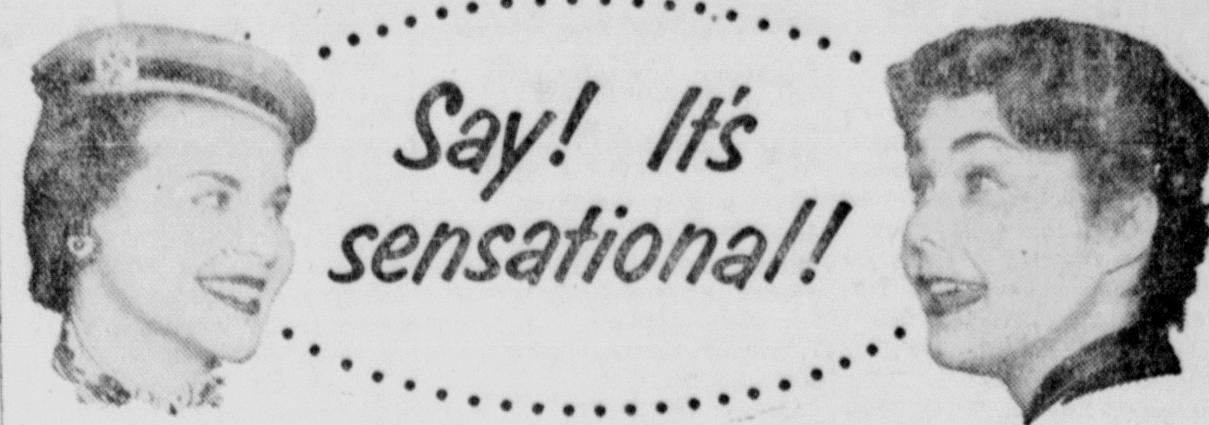

When an injected rabbit has developed the required antibody le-

vel, its blood is drawn off periodically in small quantities and used for tests of cereal viruses.

It is expected that the bank will

aid in closer study of plant viruses, their sources, how they are spread, and their relationship to each other.

Car Inspection Deadline Set At April 15 . . .

Safety inspections of the nearly 4,000,000 motor vehicles registered in Texas is "falling seriously behind schedule" with the official deadline only six weeks away.

This was reported today by the Highway Safety Council of Texas as after a spot check of authorized inspection stations for the week ending March 3.

Executive Director G. C. Morris of the Council said that inspections had "held to a satisfactory pace until January, but inspection stations - particularly in metropolitan areas - report that the required safety checks have been falling seriously behind schedule during the past six weeks."

"In some areas," Morris reported, "motorists seem to have forgotten about inspections altogether and activity has come to a standstill."

Deadline for the inspection of

Confidence Vote Given Sanford By Texas Press

Directors of the Texas Press Association, meeting held in Austin in a special session Saturday, adopted a resolution expressing "complete confidence" in Vernon T. Sanford, the association's general manager.

Sanford was indicted at Waco last week on two counts of "unauthorized contributions to a political campaign." He is charged with personally placing two advertisements for more than \$25 each in Waco newspapers on behalf of the candidacy of Lt. Gov. Ben Ramsey, back in 1954. One of the ads ran \$35. The other \$41.25.

In their resolution, the TPA board recounted that Sanford had displayed "dedicated allegiance and devotion to his job as general

manager of the Texas Press Association since he assumed that position in 1947."

It further stated that he has done "an exemplary job of developing, for the daily and weekly newspapers of Texas, an efficient organization which has won statewide and nationwide respect and esteem."

It concluded with the statement that "Whereas he, as an individual, has demonstrated consistently the fact that he is a gentleman of integrity and dependability . . . we extend to him our vote of complete confidence in his administration of the duties of general manager of our organization, and tender to him our deep appreciation for the manner in which he has and is executing the affairs of our association."

Directors did not announce any course of action as to the section of the Texas Election Code which prohibits the making of any contribution in excess of \$25 to any individual's campaign for office, except to the candidate or his campaign managers.

In placing the ads, Sanford says he acted as an agent for the newspapers, merely forwarding the ads to the publications, and did not spend any of his own money.

Lone Star Promotes Ernest L. Dalrymple To Sales Supervisor

Appointment of Ernest L. Dalrymple as regional merchandise sales supervisor for Lone Star Gas Company's South Texas Region of Distribution has been announced by R. H. Gray of Waco, Regional Manager. With headquarters in Waco, his territory will include Cameron and some 120 other towns and cities in the region, Gray said.

LITTLE RIVER PHILOSOPHER WANTS CONGRESS TO GUARANTEE FISH WILL BITE IN SOIL-BUILDING FISH PONDS.

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River may have tongue in his cheek this week, although of course it could be his foot in his mouth.

I have been following the proposals for this Soil Bank plan for farmers pretty close, as anybody who can figure out a plan that'll allow me to get paid for taking my land out of cultivation in taking my language. I never have had any trouble figuring out for myself how to take land out of cultivation, it's easy, it's how to get paid for it that has always stumped me.

But there's another point I discovered the other day in this Soil Bank plan that has me worried a little.

Under this proposal, a farmer would be allowed to build a pond on some of the land he's taken out of cultivation for soil building purposes and then he'd be allowed to harvest fish out of it. There is no permanent surplus of fish because fish out of the water three days no longer depress the market.

Well, so far, this fish-selling allowance is all right, I accept it, if I had the right layout I wouldn't mind getting paid for putting a few acres under water, but what Congress is completely ignoring is this: what if you dig a pond, it fills up with water, you stock it, and still the fish won't bite?

It seems to me Congress is leaving out the most vital point in the whole plank. You mean to say Congress is willing to let a man go to all the trouble of digging a lake and then showing absolutely no interest in whether he catches anything or not? How does our Congressman stand on this?

It's bad enough to fish all day in somebody else's stream or lake and not catch anything, and I've long felt Congress ought to do something about that, a sort of fish support program, but if you mean to tell me Congress is going to let a man build his own lake and then leave him with an empty stringer, then what I'd like to know is what sort of a farm program is that: They might as well let a man build an atomic bomb factory and then not tell him what the secret of building one of the bombs is.

If it's not too late, I wish you'd use your influence to get Congress to write a guarantee into the Soil Bank bill that a man will catch fish out of his own soil-building pond at least three days out of the week, with proper payment in lieu of keepers.

Yours faithfully,
J. A.

Two To One You Didn't Know About All These Things!

(An Editorial)

Let's face it, Milam County; The Red Cross has been doing a whole lot better by Milam county than we have been doing by the Red Cross.

Did you know that the Red Cross handles an average of 15 to 25 contacts each month for service men and their families? Did you know that the Milam County chapter extends this personal service to form 12 to 20 civilians each month, too?

Did you know that during the last six months of 1955 Milam county people received 157 pints of blood from the Red Cross here in the county, with 67 more pints going to Milam countians elsewhere? At \$25 a pint this is \$5,600 worth of life-giving blood, given Milam county people.

You did know, didn't you, that the Red Cross sent Milam county a check for over \$10,000 from its disaster fund back in April 1954 for tornado relief at Gause and Salty? And in nearby Lee county in December 1953 when a tornado inflicted \$50,000 damage at Tanglewood, the Red Cross was on the job, giving relief and underwriting the building of two homes that were destroyed.

Did you know that the Milam county Red Cross Chapter has a Home Service program helping soldiers at McCloskey Veterans Hospital and at Ft. Hood, sending them magazines and books during the year and gifts for their Christmas Gift Shop in December? Did you know that some Milam county women donate their time to work in the Veterans Gift Shop?

The fact is, the Red Cross has been doing more for Milam county than Milam county has been doing for the Red Cross in recent years. We should be ashamed.

This year see that your contribution is at least doubled or tripled.

Cameron Jaycees Enrolling Youngsters In Temple Road-e-o

The Teen-Age Safe Driving, Road-e-o, is being conducted by the Temple Jaycees this year for the first time. The road-e-o had been conducted nationally for the past four years, this being the fifth year for the tests.

Eligibility for entry is: any boy or girl 14 and over that will still be 19 on the 10th of August, with no moving traffic violations in the six months prior to making application. Applications are taken on the first come, first served basis until a total of 170 is obtained.

These applicants will be given a written examination of 50 questions on the automobile and its safe operation, the top twenty scoring the highest will be given a

driving skill test over a course laid out by national standards, with-in the road-e-o arena, at the Cen-Tex fair grounds in Temple.

The written test for elimination will be given in Temple at 1:00 P.M., on May 5th., and the driving skill will be given the following Saturday May 12th.

The winner of the local contest will have all expenses paid to the next contest-in procedure to the state road-e-o in Corpus Christi in June 15th and 16th.

The winner of the State road-e-o will fly to Washington D.C. for the National Road-e-o, staying at the best hotel, and with sight seeing tours, all paid for by the State Jaycees of Texas.

First place winner will receive a \$1500 scholarship. Second place winner will receive a \$1000 scholarship. Third place winner will receive a \$500 scholarship.

The total cost to the applicant is \$1.00 they pay for the application blank with no refunds. There will be only 170 taken so you must hurry to register your intentions Jack Slaughter said Tuesday.

Applicants will be furnished new cars for the driving skill, with no high speed driving, cars of standard and automatic transmissions will be at the applicants option.

Teen-Agers this is the time for You and Your Parents to show that you have a real interest in safety, for the teen-ager to prove that you are willing to assume adult responsibility for your operation of the motor vehicle, and the parents to prove their confidence in you, while you earn a \$1500, scholarship, so do hurry up to Temple and get your application before the 170 get signed up.

The Cameron Jaycees are assisting their brother organization in Temple by enrolling those in this territory who wish to participate.

Anyone wishing to enter from

Cameron or vicinity will contact Jack Slaughter at Telephone 399. He will furnish the blanks and any additional information needed by the applicant.

Best Ticket Seller In Clubs, Explorers Scouts To Filmland

A tremendous treat awaits two top-notch ticket salesmen among Central Texas ranks of the Cub Scouts, Boy Scouts and Explorers.

Two youngsters are going to receive all-expense trips to visit movie star and World War II hero Audie Murphy in Hollywood this summer.

One winner will come from McLennan County. The other will be selected from the "Greater Central Texas area embracing all cities and towns in the Heart O'Tex-

as Council". Exact details of selection are being arranged, but the trips hinge principally on number of tickets sold to the Big Scout Circus to be presented at Heart O'Texas Ciliseum the nights of April 6 and 7th.

James LeBlond, Chairman of the Program Committee for The Scout Circus, said Murphy had invited the Scouts, Cubs or Explorers winning the trips to remain in Hollywood as his personal house guests for three days and nights. Naturally he plans tours of the studios and sightseeing trips around Los Angeles for them.

In addition, Audie Murphy will send to Waco filmed greetings to Boys participating in the circus and will autograph programs for the top 25 boys in ticket sales.

From where I sit . . . by Joe Marsh

Information "On The Line"

I was reading the other day how a person can get all sorts of things just by dialing a number on his telephone.

In New York you can get the time, the weather, or a prayer. In Philadelphia it's the stock reports. In Boston a voice tells bird watchers what's to be watched in the park.

Over in Europe, they go further. Vienna offers a five-minute fairy tale for kids. In Switzerland you can get the news in any of three languages. And a couple of places have "talking menus" for desperate housewives.

From where I sit, it doesn't matter if ideas are put out by telephone, through editorials, or in person—as long as we can take them or leave them. I happen to like a glass of beer with my supper. You may prefer coffee, tea or branch water. Well, there's no harm in "listening" to another's opinions . . . but if he should try to force them on you, it's always an American's privilege to simply "hang up!"

Go To Church On Sunday

Send My Refund Care Of Jefferson City Jail

Sometimes offices of the Internal Revenue Service have refund checks returned undelivered. Various methods are used to try and trace do with the missing taxpayers to give them back their money.

One taxpayer in Missouri, afraid that the chances of his district office locating him were rather remote, thoughtfully advised them of his new address, the state penitentiary at Jefferson City. His change of residence, he explained, was unexpected.

Guard Enlists Two Following "Quickie" Enlistment Drive

The local National Guard unit, Battery C, 649th Anti-aircraft Artillery Battalion reported that although its "quickie" recruiting campaign has ended, it had two more enlistments in the unit last week and another application for enlistment.

The two newest Guardsmen, sworn in during the drill period last Tuesday evening, were Byron B. Barr and Robert W. Thompson better known as Buddy Thompson. He is a senior at Yoe High School and was a star player on the Yoe-man football team for the past three seasons.

Barr also is a high school student and also is a part-time attendant at a local service station.

Battery C stated that more enlistments are expected to be made in the organization. It is hoped, it said, to have almost all of the vacancies in the unit filled prior to the time the Battery leaves to attend summer camp at North Fort Hood from July 8th through the 22nd.

News From Jones Prairie

Mrs. S. S. Hickman

Mrs. S. S. Hickman was hostess when the Home and Garden Club met Tuesday March 6. Japonica and Red bud were used to decorate the party rooms. Following the recreation, a roundtable discussion was held on Shrubs for year round color, and their proper setting, furnished by Miss Sadie Hatfield, Extension specialist in landscape gardening from A & M College. Mrs. Robert Glenn is program chairman and passed out leaflets on Selection and care of Shrubs. The hostess served open face sandwiches, potato chips, olives, cake squares and ice tea to 10 members and one guest, Miss Leatha Ingram.

Mrs. W. J. Fontaine has returned from an extended visit with her daughter and son-in-law, Mr. and Mrs. Roy Little of Springfield Va.

Saturday evening dinner guests of Mr. and Mrs. Jack Stidham were Mr. and Mrs. D. S. Jaymes and little son Dickey Jr. of Cameron. On Monday evening the Stidhams had their pastor, the

Rev. Harland M. Irvin, pastor of the Episcopal church in Cameron as a dinner guest.

Mrs. J. A. McKinney and Miss Ethel McKinney were over night guests of Mrs. E. A. Flinn Monday and attended the Workers Conference at the First Baptist church in Cameron.

Visiting in the home of Mrs. A. L. Burnett Wednesday afternoon, were Mrs. Newt Drury of Dallas Mrs. Virgel Thrasher of Lott, and Mrs. F. L. Hob of Rosebud.

Mr. and Mrs. Wilburn Shuffield and family of Cameron visited her mother, Mrs. Minnie Ingram Sunday.

Mr. and Mrs. John Crook and Mr. and Mrs. Wayland Atkinson all of Port Arthur are visiting Mr. and Mrs. Carlton Crook. The Atkinsons are also visiting his mother and family, Mrs. W. A. Atkinson.

Mr. and Mrs. Marshall Pond of Kingsville are visiting Mr. and Mrs. Jack Pond.

Mrs. R. K. Fontaine and daughter Karen were weekend guests of Mr. and Mrs. Henry Garrett of Bryan.

The Little River WMS met at the church Wednesday, March 7, for an all day meeting in observance of Home Mission week of Prayer. Mrs. A. L. Burnett was in charge of the program. A covered dish lunch was served at the noon hour.

Sunday dinner guests of Mr. and Mrs. Victor Hughen were Mr. and Mrs. Bill Thweatt, and Rev. Charles Hall, pastor of the Maysfield Methodist church.

Mr. and Mrs. Ernest Ballerstedt of Austin, Mr. M. B. Cox and son, T. B. Cox of Dallas all spent Sunday with Mr. and Mrs. T. B. Stidham.

Guests in the home of Mr. and Mrs. Clarence Crook over Sunday were Mr. and Mrs. Edwin Claw-

son and Mr. and Mrs. Marshall King of Flat. The occasion being Mrs. Clawson's birthday who is a sister of Mrs. Crook. A delicious dinner was served along with birthday cake minus the candles.

Mrs. R. K. Fontaine is visiting Mr. and Mrs. Billy Fontaine and their new little son William Arthur Jr. of Beaumont.

Televiewers To See Rio Grande Valley Livestock Show On Texas In Review

The 17th annual Rio Grande Valley Livestock Show held at Mercedes will be featured next week on The Humble Company's weekly TV program, Texas in Review.

The films will show the unusual displays and judging of livestock. Purpose of the show is to encourage production of beef and dairy cattle, hogs and chickens as an important part of the Valley's diversification program.

For sports fans there will be comprehensive films of the Border Olympics held at Laredo. A total of 80 high schools, junior colleges and colleges entered this year bringing over 1,000 athletes to compete for honors.

Other features on the program will be the Bluebird Fashion show at San Antonio.

Interest High In IOOF As Grand Lodge Meets

Interest in IOOF lodge work is declared to be at an all time high as evidenced by the large attendance at 7:30 Thursday night. T. C. Kirksey of Rosebud was in attendance for the first time

Food Sense—Not Nonsense

Let's Clear The Lunch Hurdles

Let's get the jump on the carried lunch. Packing it can be a bit of a game. Knowing the rules, sends us flying clear of the hurdles.

Hurdles to trip us in this morning dash to prepare the away-from-home meal are: Making it nutritionally sound and packing enough food to meet energy and nutritional needs. Wherever this lunch is eaten—school, office, or plant, it can be an inviting, nutritious, and economical.

The good lunch supplies one-third of the day's food requirements of calories, protein, vitamins, minerals and energy. Such a simple lunch pattern is recommended by the National School Lunch Program. It includes two ounces protein-rich food; three-fourths cup vegetables or fruit, or both; one or more portions of enriched or whole grain bread, two teaspoons butter or margarine and one-half pint milk.

This pattern as seen in the packed lunch includes one or more protein-rich foods—meat, eggs, cheese or peanut butter which may be used as sandwich fillings. Sandwiches are two-fold sources of protein-rich foods—fillings and enriched bread. Four slices of enriched bread contribute approximately 12% of the daily protein needs as recommended for the average young man. Active adults and teenagers need two or three such sandwiches.

Fresh vegetables are carried as relishes or salads. Lettuce may be packed separately to be added to the sandwiches at lunch time.

Desserts give the satisfying, finishing touch to the packed lunch. Cake, cookies and pies, from bakery or food mart, do double duty, too. They add variety and help meet the high energy needs of growing children, teenagers and adults who are on-the-go.

Albert Edmonds plans to attend Grand Lodge meeting at the Adolphus Hotel in Dallas on March 18 (today) 19 and 20. Rip

Woods, District 36 Deputy Grand Master will also attend. Noble Grand of the local lodge Bassel Wilson is alternate delegate to the Grand Lodge Meeting.

News From Buckholts

MRS. J. W. MEYER

Mr. and Mrs. Eugene McClain of Ft. Worth were weekend guests of his parents, Mr. and Mrs. Carl McClain, and her parents, Mr. and Mrs. Sam Fritz.

Mr. and Mrs. Henry Garlachs had as their guests for the weekend, their daughter and son-in-law Mr. and Mrs. Oscar Benold and son, Michael of Brenham. Their guests Sunday, included Mrs. Mahel Patillo, Mrs. J. H. Scarborough, Mrs. Bonell Depew and Judy Hawks of Cameron.

Mr. and Mrs. J. R. Slovacek's guests Sunday were their son's family, Mr. and Mrs. Marvin J. Slovacek, Diane and Marvin Jr. of Bartlett.

Mr. and Mrs. Danny Balusek and daughter, Danaline of Temple were guests of his parents, Mr. and Mrs. Emil Balusek Saturday.

Weekend guests in the home of Mr. and Mrs. Tal Woodward were their son's family, Mr. and Mrs. Udell Woodward and Dale of Houston.

Mrs. Millie Krall was a visitor in Cameron Friday as a guest of her son's family, Mr. and Mrs. J. Z. Krall and Richard Wade.

Mr. and Mrs. A. R. Walschak's guests Sunday were her daughter's family, Mr. and Mrs. H. H. Wright and children, David and Dee-Dee of Rogers.

Mr. M. D. Porter returned Sunday morning after three days spent in Ft. Worth where she was a guest of her sister, Mrs. Arthur Barboza. She attended funeral services in Granbury, Sat. for her uncle, Mr. Lee Butler. The Port-

ers guests the past weekend were their son, Kenneth Porter, and Buddy Banks students at Baylor University in Waco.

John R. Meyer and a group of friends from Bryan were guests of his parents, Mr. and Mrs. J. W. Meyer Saturday evening.

Maysfield News

Mrs. Fred Jackson is visiting her son Fred Jr. and family in Houston.

Mrs. H. G. Newton and Miss Sue Butts visited their brother, Louie in a Hearne hospital Thursday. Louie was injured in a car wreck Wednesday.

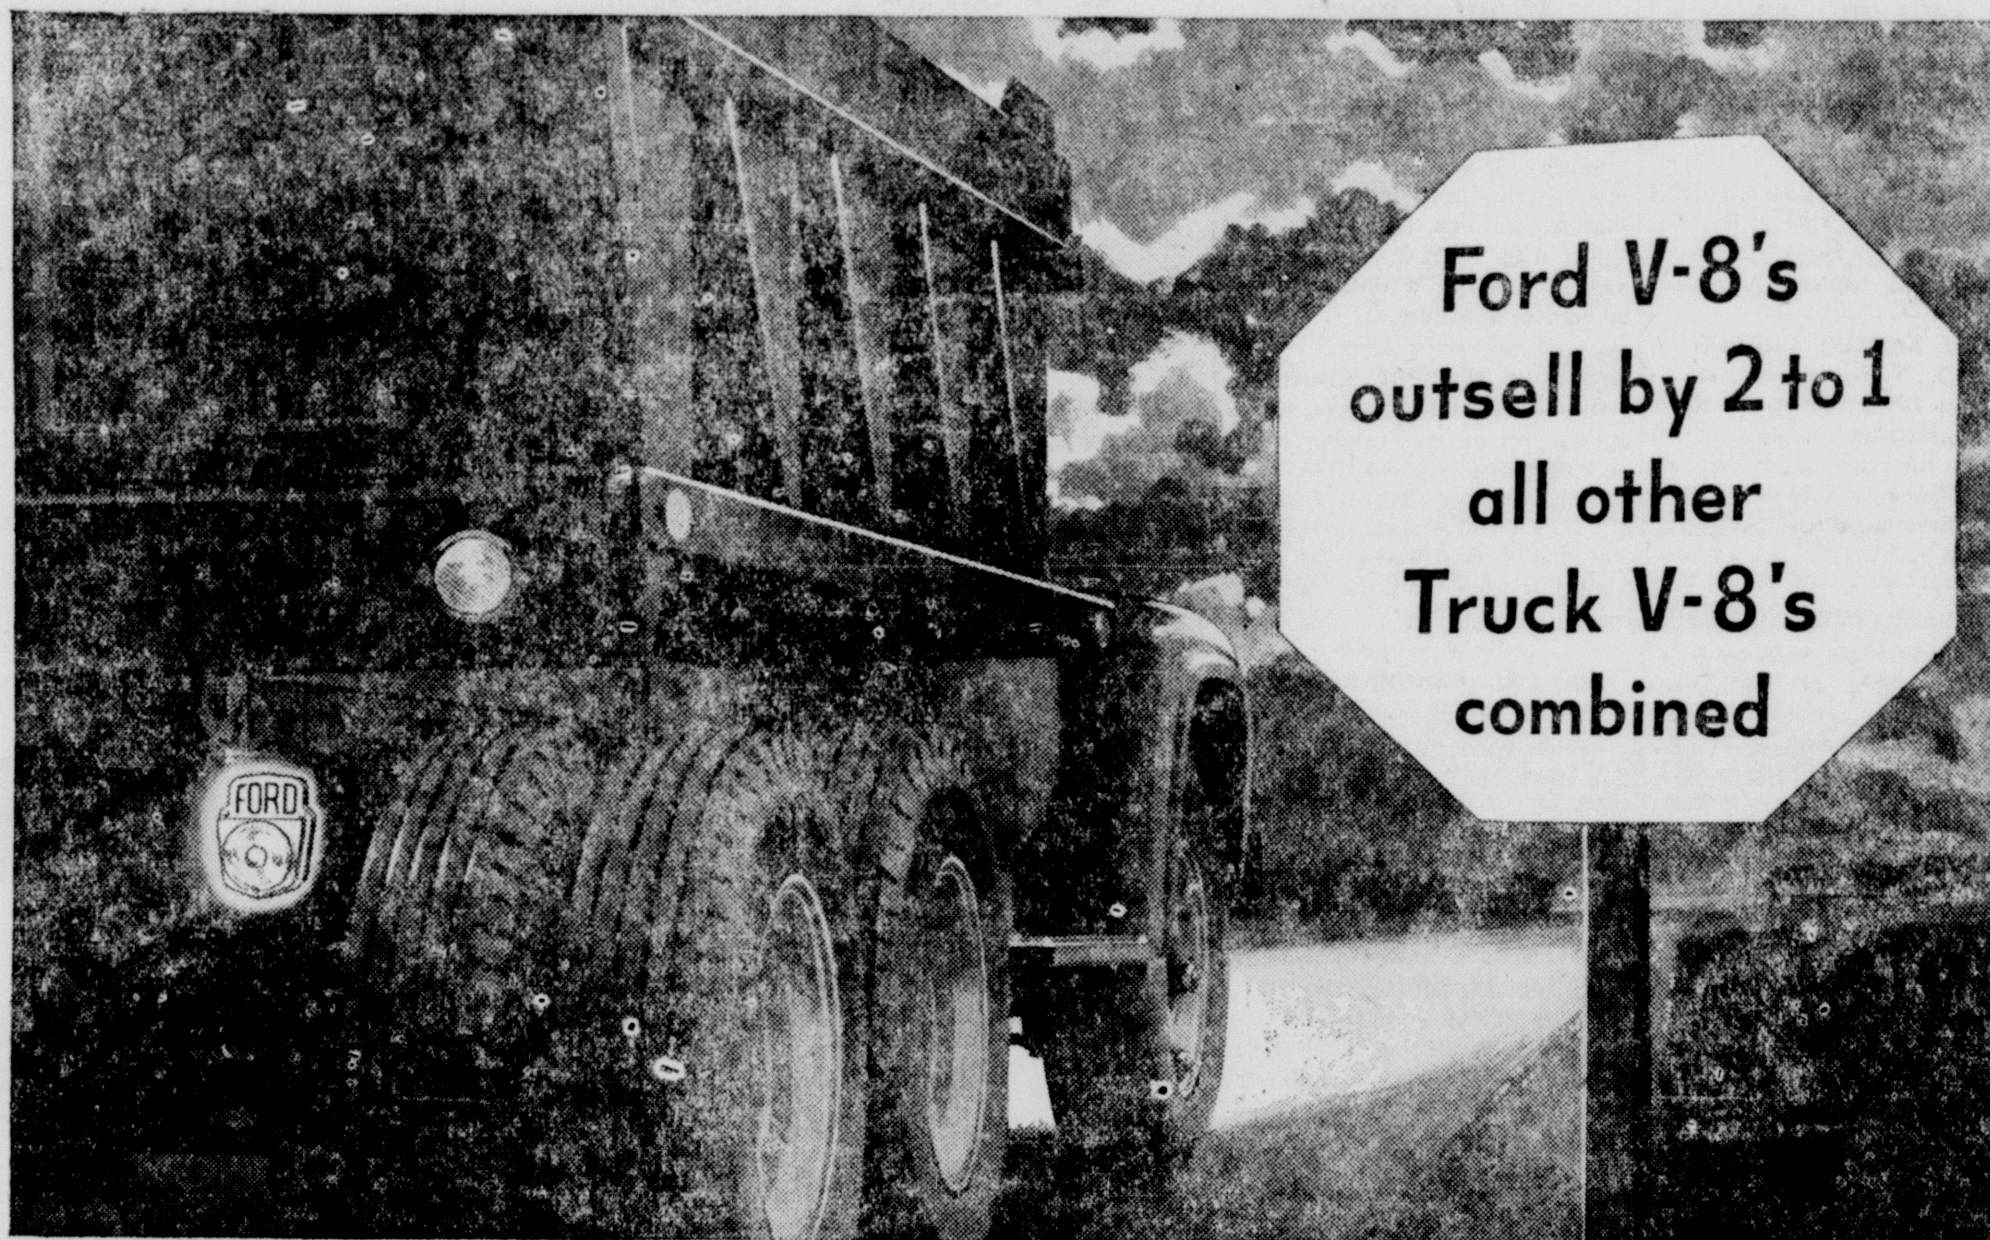

Lt. Col. and Mrs. Herbert Massengale and children of Waco spent the weekend with his Mother, Mrs. Ethel Massengale who went back as far as Chilton with them and visited Mrs. S. W. Gaines.

Mrs. Dock Thweatt and Mrs. Carroll McElurath left Saturday for Augusta, Georgia, where they will visit Mr. and Mrs. Kenneth Thweatt and baby.

**Ford V-8's
outsell by 2 to 1
all other
Truck V-8's
combined**

Economical performance is the big reason why Ford's the V-8 leader!

It takes a FORD to squeeze maximum power out of today's gasoline

Prefer a SIX?

Ford is the only manufacturer who gives you a Short Stroke Six in the light-duty field. It's the most modern, most efficient Six because it gives you more horsepower per cubic inch than any other Six. And in a Ford Six you get integral valve guides, free-turn intake and exhaust valves—plus a deep-skirt crankcase for longer, smoother engine operation.

Shown above is the biggest Pickup box in the 1/2-ton field—a new 8-ft. box, available on the Ford Pickup at low extra cost.

Only Ford gives you modern Short Stroke power—V-8 or Six—in every truck! Short Stroke design means up to 53% more power with no increase in engine size

Just one kind of engine can give you all the mileage built into today's gas. And that's a modern Short Stroke engine—the new kind of truck power pioneered by Ford.

Short Stroke engines develop the kind of power that used to be possible only with much bigger engines. And Short Stroke engines do it on less gas! The shorter stroke means less piston travel,

which means less friction to waste power and gas, and less wear, too. You get more usable power also—power that works for you at the rear wheels!

New Ford Trucks save you money when you buy! Ford is America's lowest-priced line of V-8 trucks.* And right now your Ford Dealer is offering attractive terms for spring. Call him today and find out what a sweet deal you can get!

*Based on a comparison of suggested list prices.

FORD TRUCKS

Ford Trucks Last Longer! Certified by independent insurance actuaries for the ninth consecutive year! Studies of over 10,000,000 current license registrations show that Ford Trucks last up to 9.9% longer than any of the other 4 leading truck makes!

John S. Talbot is running 10 head of cattle and calves on 8 acres of pasture that has had the works from a soil conservation standpoint. His farm is located on the highway. There is no difference in his soil as compared to other land in the sandy part of the county. Before doing conservation work this same pasture did not furnish enough pasture for 1 milch cow.

Talbot had planted 3 acres of hubam clover and oats when he was assisted in making a soil conservation plan by technicians from the Rockdale Work Unit of the Soil Conservation Service. That was in May 1949. Since that time he has terraced the 3 acre field and established a waterway. The pasture has had 2 1/2 to 5 tons of lime and about 500 pounds of phosphate per acre since 1949. Bur clover was seeded and along with the clover came rescue grass. The field had 1300 pounds of fertilizer and was planted to tomatoes. As is usually the case, bermuda grass has come in naturally; following fertilizer and the improvement of the soil by growing clover.

Talbot estimates that the total out of pocket cost of developing this fine pasture was about \$10,000 per acre. The ASC shared in the cost, and with this help, most any one can build a good pasture. The four cows, 1 bull, 2 three hundred pound yearlings, and 3 calves probably will have all the grazing they can handle until hot weather in late June. Along about this time most of the stock will be sold.

Temporary grazing is big help in the proper management of our pastures and ranges in this section. At this time fall sown oats are proving their worth as a grazing crop. As an example, Pete Prichard had more grazing on 4 acres of oats than 33 cows, 20 calves and 23 head of sheep could get in a two weeks period. Mr. Prichard farms and raises cattle on his mixed land and sandy land farm about 5 miles south of Thorne. The 4 acre field mentioned above was mostly a red clay field. No fertilizer was used this year. However, this field has been in vetch, clover, and has been fertilized several times in the past 8 or 9 years.

In figuring how much Mr. Prichard profited by building up this piece of land, one finds that by building up this piece of land, one finds that by converting the grazing time and classes of livestock to cow months grazing, he would have had enough grazing in the two weeks to run 1 cow for 6 mo. This amount of grazing was conservatively estimated to be worth \$12.00 per acre and he only planted about \$2.00 worth of oats per acre. This field will later be combined for seed. Mr. Prichard expects to make at least 40 bushels of oats per acre. Oats usually make 75 to 100 bales of hay per acre and from 30 to 75 more bushels per acre.

Annual grasses and weeds are beginning to come out in the woods pastures and in a short time the buds and young leaves will do to browse. Stock should be confined to these areas during the early spring season to harvest this annual forage and browse. This practice will leave more grass in the pastures for later use.

Near 20 Million In Soil-Water Loans In 1955

More than \$19,800,000 has been borrowed by farmers for soil and water conservation since this type of credit was made available a little more than a year ago, Roy M. Wright, Farmers Home Administration Supervisor for Milam and Burleson counties, said today.

Farmers used the loans to improve their farms and increase the efficiency of their operations.

A recent report shows that about 79 percent of the funds were used for irrigation, including the purchase of pumps and piping, the drilling of wells and the construction and repair of irrigation ditches and laterals. Irrigation proved for more than 34,603 acres. The remainder of the funds was used for such soil conservation measures as terracing and pasture improvement, and developing months farmers will use use and farm livestock.

ing water systems for household "It is expected that during the a larger portion of the funds they systems were developed or im-

borrow to finance soil conservation measures," Wright said. "Recent meetings have been held in both Milam and Burleson Counties in cooperation with Extension Service, Soil Conservation Service and other agricultural agencies to make certain that all farmers know that funds are available for soil and water conservation loans."

"Increased yields from this type loan can be expected in the near future," Wright said. For example, in Burleson County two loans for \$2500 each have recently been made for brush clearing and pasture improvement, and the work is already under way. Within a year increased forage production can be expected resulting in more pounds of beef and milk production per acre. With normal rainfall it is expected that the increased beef and milk production resulting from this pasture improvement will more than meet the annual payments on the loan.

Private lenders provide most of the funds from which these loans are made. The Farmers Home Administration and services the loans and insures repayment of the funds advanced. Farmers pay 4 1/2 percent in interest or in interest and insurance charges for the loans. The loans are scheduled for repayment within the shortest period of time consistent with the ability of the borrower to re-

pay. The maximum repayment period on loans to individuals is 20 years.

To be eligible for a soil and water conservation loan, a farmer must have reasonable prospects of conducting successful farming operations. He must also be unable to obtain the necessary credit on reasonable terms from private lending sources.

Application for soil and water conservation loans may be made at the county offices of the Farmers Home Administration, located in the Henderson Building in Cameron and in the Courthouse in Caldwell. The local County Farmers Home Administration Committee determines eligibility for these loans.

Construction of a 5,000 cubic yard farm pond dam has been completed by district cooperators, Paul Walton. Walton's farm is located in the Hackberry Community northwest of Bartlett, Texas. A bulldozer was employed to carry out the construction work.

The pond was installed in connection with the pasture development and utilization program being followed on the Walton farm. Its purpose is to provide a source of permanent stock water for the farm and to assist in the distribution of grazing of all pasture plants over the seventy-five acre pasture.

The pond reservoir when full will have a surface area of approximately two acres and a depth of 23 feet of water. In excess of 15 acre feet of water or 5,000,000 gallons, will be stored.

Farm ponds have been recently constructed on the following district cooperators: W. B. Jackson, Delfin Schiller, Walter Jakubec, and Jim Doskocil. These ponds were designed and staked by Soil Conservation Service technicians at Temple, assisting the Central Texas Soil Conservation District, and are located in pastures so as to give a better distribution of grazing.

Guests in the home of Mr. and Mrs. Steve Mertz visited their daughter and family, Mr. and Mrs. Dann Harrel and Donna in Austin on Saturday.

Mr. and Mrs. Willie G. Schwarz had as guests for the weekend, their daughter, Miss Beverly Schwarz of Austin, and their son and daughter-in-law, Mr. and Mrs. James Schwarz of Donna.

Guests in the home of Mr. and Mrs. J. D. Pope during the week-

end were their son, John Dewey Pope of Austin, and Mrs. Pope's uncle and aunt, Mr. and Mrs. C. B. Leonard of Burlington, Mrs. A. H. Gullick and son Don of Houston recently visited in the Pope home. Mrs. Gullick's mother, Mrs. C. R. Campbell accompanied them to Houston Sunday for a short visit.

Mrs. L. M. Massey and daughter, Miss McKimm Massey, and Mrs. Lucy White and Mrs. Braden all of Rogers visited in the Ed Fowler home Sunday.

Mr. and Mrs. Tommie Romines of Houston, Ernest Rinn of Rockdale, and Mr. and Mrs. Tommie Buffington, Mr. and Mrs. W. K. Leonard and infant son, Kenneth Ray, Mr. and Mrs. Eugene Mitchan and Pamela and Cynthia, Mr. and Mrs. W. O. Rinn all of Cameron visited with their mother and grandmother, Mrs. E. J. Rinn Sunday. Mrs. Rinn, who has been ill in her home, is reported to be improving.

Mr. and Mrs. Nathan Smith visited in the H. F. Lango home Sunday.

Mr. and Mrs. Max Westerman of Thorndale were recent visitors of Mrs. Albert Rinn.

Mr. and Mrs. George L. Schroeder visited with their daughter and family, Mr. and Mrs. Arthur Inge and children in Buckholts, Sunday.

Mr. and Mrs. Tommie Romines of Houston, Ernest Rinn of Rockdale, and Mr. and Mrs. Tommie Buffington, Mr. and Mrs. W. K. Leonard and infant son, Kenneth Ray, Mr. and Mrs. Eugene Mitchan and Pamela and Cynthia, Mr. and Mrs. W. O. Rinn all of Cameron visited with their mother and grandmother, Mrs. E. J. Rinn Sunday. Mrs. Rinn, who has been ill in her home, is reported to be improving.

Mr. and Mrs. Nathan Smith visited in the H. F. Lango home Sunday.

Mr. and Mrs. Max Westerman of Thorndale were recent visitors of Mrs. Albert Rinn.

Mary Hensley On TSCW Select One Hundred List

Being presented as princess of the 16th annual Redbud Festival at Texas State College for Women March 23-24 will be Mary Hensley daughter of Mr. and Mrs. Roy C. Hensley. Miss Hensley, junior home economics major, has been a Redbud Princess two other years also.

Princesses are the 100 students representing the ideal young woman in personality, character and grooming elected recently by their TSCW classmates.

The Redbud Festival is presented two evenings at 8 p.m. in the college Main Auditorium. Five crown princesses are named by judges Friday night and from this group the queen is announced Saturday. A coronation ball in the queen's honor is held after the festival pageant Saturday. Dr. John A. Guinn, TSCW president, will crown the queen.

Redbud Festival is the climax of Self-Development Week, March 19-23, which is five days of programs and other emphasis on self-improvement, personality and grooming analysis.

The spring festival is named for the thousands of redbud trees on the TSCW campus which are at the height of their bloom and color during March each year.

TRADE IN CAMERON AND SAVE

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new and convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger and appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package cost you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by:

Mail orders filled

Franklin Williams of Houston, grandson of the famed Sam Houston, poses before the smithy shop at Old Washington on the Brazos, where the Texas Declaration of Independence from Mexico was signed March 2, 1835, by his illustrious ancestor and 58 other early Texans. A campaign to raise one million dollars to build a memorial to them is under way by the Texas Press Association.

3 Cameron Students On Fall Honor Roll At Sam Houston

Three students from Cameron are on the '55 Fall Semester honor roll at Sam Houston State Teachers College. They are:

Wesley Braden, son of Mr. and Mrs. W. E. Braden; Donald Malcolm Rose, son of Mr. and Mrs. Carl R. Rose; and Gene Senkel, son of Mr. and Mrs. William R. Senkel.

Two Declare For School Board April 7 Election

Don G. Humble, attorney and Dr. David Shapiro have publicly declared their intentions to run for the vacancies left on the Cameron Independent School Board by termination of the terms of Dr. C. G. Swift, chairman and Leo Fuchs, secretary.

The election will be held the first Saturday in April.

Go To Church On Sunday

Texas hero and film star Audie Murphy will give the two high Ticket Salesmen for the 1956 Scout Circus an all expense paid trip to his Hollywood home.

Two Cameron Co-eds Hold High Average At TSCW, Denton

Two Cameron students have been named to the 'B' average list at Texas State College for Women for the fall semester.

The 'B' average is a recognition of high scholarship. The students are TSCW juniors Sara Esslinger, an English major, and Mary Hensley, a home economics major.

Miss Esslinger, daughter of Mr. and Mrs. Andrew Esslinger, is secretary of the TSCW Campus League of Women Voters and historian for Sigma Tau Delta, honorary English fraternity.

Miss Hensley, whose parents are the Roy C. Hensleys, is a former class president and Redbud princess.

Dusek, Price, Plent Names Of Cameron M. H. Baylor Co-eds

Three Cameron students have enrolled at Mary Hardin-Baylor college for the second semester, the registrar's office has announced.

With a sizable increase in enrollment including a new branch at nearby Fort Hood and a new gymnasium under construction, Mary Hardin-Baylor celebrated her 111th Charter Day last month.

Miss Anita Dusek, daughter of Mr. and Mrs. J. Edwin Dusek of 402 E. 12th St., is a junior elemen-

tary education major. Miss Bobbie Price, daughter of Mr. and Mrs. Alfred Price of 1505 N. Travis, is a freshman child psychology major. Mrs. Ruby Plent is a special student.

Easter Seal Appeal Opened

One of Texas' most prominent civic leaders will head the 1956 Easter Seal Appeal for aid to crippled children, according to an announcement made today by Euclid Hudson, president of the Texas Society for Crippled Children.

State chairman of the traditional annual Appeal in 1956 will be Munger T. Ball, well-known maritime shipping executive of Port Arthur and a pioneer organizer of aid for handicapped Texans.

Launching plans immediately for the March 10 opening of the Easter Seal Society's effort to maintain and promote greater services for the state's crippled population, Ball said he was "greatly honored to be named chairman of such a vital humanitarian activity in Texas."

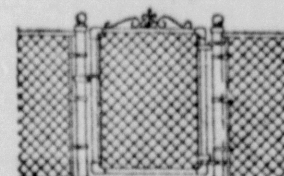

"The success of this cause does not lie with any one man or committee, however, but in the helping hands of millions of Texans interested in the well-being of our crippled children," Ball declared.

Lilac Exceeds Red Cross Goal

Mrs. Nelson Davis, chairman of the Red Cross drive for Lilac, reports that Lilac has exceeded its \$50.00 quota by \$9.75. Mrs. Davis was assisted by Mrs. Jimmy McQuerry.

Yoe Homemakers Elect Delegates To State Meet

The Future Homemakers of the Yoe Junior and Senior Chapters elected Mary Frances Leskar, Kathy Witt, Rose Marie Matyastik and Anita Trdy as their representatives to the Annual State Convention in Ft. Worth which will be held April 19, 20, and 21. The election was held at the regular meeting Monday, March 5, 7:30 p.m. held in the gymnasium under the direction of Carol Matula, senior chapter president. Other candidates for the trip were Barbara Coward, Ruth Matyastik, Colleen Damron and Beverly Rice.

Mary Ellen Richter and Beverly Rice, co-chairmen for the annual crippled children's Easter Seal project, reported that Mrs. Hale and Mrs. Austin of Rockdale, with the assistance of Mrs. Woodum of Cameron, had delivered the materials to the school. The girls hope to get the schools their packets this week and start the other letters to citizens at once. Watch in town for the contribution containers to be put out Friday evening.

USE THEM!! Faye Angell reported that she had contacted all dry goods merchants concerning the FHA style show to be held April 17. From the list of girls who volunteered to model she, the merchants, and the homemaking teachers are all helping select girls who can be fitted and whose coloring will display the garments to the best advantage.

The fifty persons attending en-

joyed the civil defense film "Duck and Cover". Guests were Mr. and Mrs. F. W. Vogelsang, honorary members, Mrs. Emil Hollas and daughter and niece.

Delphians Hold March 6 Texas Day Luncheon

The Cameron Delphian Club and guests observed Texas Day with a luncheon at the Century Club Tuesday, March 6 at 1 p.m.

Mrs. George Childress, club president, called the meeting to order, and Mrs. J. C. Freeman introduced the guest speaker, Mrs. H. C. Oglesbee of Waco, who is president of the Fourth District of Federated Clubs For Women. Her subject was "Old Landmarks of Texas."

The luncheon tables were decorated with spring flowers and Texas Flag favors.

TSCW Alumnae In Rockdale Meet

The Milam County Chapter of the Texas State College for Women Alumnae met recently in the home of Mrs. R. C. Richards in Rockdale.

The next meeting will be held April 24 at the home of Mrs. Andrew Esslinger in Cameron, with Mrs. Edith Barron, Mrs. A. F. Matula and Mrs. LeRoy Thompson as Co-hostesses.

This will be the final meeting for this school year and all alumnae interested are urged to reserve this date for the chapter meeting.

Funeral Services For Lt. John Ross Jr. In Austin

Funeral services for Second Lt. John Ross, Jr., 21, were held in the Wilke funeral home in Austin Thursday at 1:30 p.m.

Burial will be in the National Military Cemetery in San Antonio following services in Austin.

Survivors are: His parents, Mr. and Mrs. John Ross, Sr., of Austin; three sisters, Mrs. Jane Davis of Austin, Mrs. John Knoblesdorf of Houston, and Mrs. Kirby Powledge of Schenectady, New York; four brothers, Robert Ross of Sharp, Jimmy Ross, Arthur Ross, and Bill Ross, all of Austin.

Introducing . . .

Raymond Kenneth Reichter, seven pound, ten ounce son born March 6 to Mr. and Mrs. Ray-Reichter of Sharp in a Marlin hospital.

Mr. and Mrs. Angerle of Cameron are grandparents.

Mr. and Mrs. Reichter have two more children, Carroll Ray, 12, and Judith, 8.

If you own one of these cars...

here's why it'll pay you to trade now for a new 1956 PLYMOUTH

Perhaps you haven't bought a new model of your present make of car because you've been disappointed at how little that car has changed this year. Fact is, the only really NEW low-price car this year is PLYMOUTH, and it'll pay you to buy a new 1956 Plymouth NOW. Your present car is at the peak of its trade-in value today, and right now you'll get a money-saving High Volume Deal at your dealer's. See him today and see how easily you can own a new Plymouth.

GET THE "NEWS" NOW — FROM PLYMOUTH! In a year when the styling of the other two low-price cars is being called "warmed over," Plymouth brings you tomorrow's styling today in its all-new Aerodynamic Design. PLUS the biggest size of the low-price three. And thrilling new performance,

with the trigger-quick response of the 90-90 Turbo-Torque design of Plymouth's PowerFlite transmission. In fact, Plymouth offers more take-off and passing power in all models than any other car in the low-price three. Just drive a new Plymouth — you'll see for yourself!

COMPARE THESE VALUE FEATURES	LOW-PRICE PLYMOUTH	LOW-PRICE CAR 'A'	LOW-PRICE CAR 'B'
Major New Styling for 1956	YES	NO	NO
Push-Button Driving (optional)	YES	NO	NO
New V-8 Engine	YES	NO	NO
Safety Features (you DON'T have to pay extra to get)			
Electric Windshield Wipers	YES	NO	NO
SafeGuard Door Latches	YES	NO	NO
Safety-Rim Wheels	YES	NO	NO
Twin-Cylinder Front Brakes	YES	NO	NO
Independent Parking Brake	YES	NO	NO

GET MORE VALUE FOR YOUR DOLLAR! Plymouth's the biggest, longest, roomiest car of the low-price three, and you don't have to pay extra for Plymouth's famous safety features. They're standard equipment on all models. See the only really new low-price car at your Plymouth dealer's today!

PDC

From the day you buy it... through all the years you own it... you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

PLYMOUTH costs less

Triple A '56 Yoemen Nosed Out By Old-Timers In Exhibition

A short and snappy 21 calendar days of spring training allowed in triple-A schoolboy football competition ended Tuesday on a note of exuberance from the fans who turned out to see the '56 Yoemen play the Exes, during Public School Week.

The old men's team - the exes of way back to '53 barely nosed out the upcoming Yoemen by a score of 19-13 and the win was on a successful pass in the last ten seconds of the game.

The '56'ers had two touchdowns called back on penalties. One outstanding play of the game was an 80 yard run by the youngsters who carry the Yoe Banner in 1956

against triple A competition. For Auld Lang Syne we'll look at the old-men's team: Buddy Thompson, Bobby Williams, John Duncan, Clifford Angell, Joel Heitmann, (53) Tom Collins, Laddie Dohnalik, Clyde Wallace, Bennie Massengale, Henry Brown '54, Kenneth Cryer, Butch Polzer, Eddie Matyastik '54 and Jimmie Markham.

The 1956 edition of Yoe team will be getting a lot of publicity in future issues of the Herald so we will pass them up for this time but we are looking forward to knowing them all real well in the future through their biographies and pictures and so forth.

News From Yarrellton

MRS. LENA RUSSELL

Mrs. Verna Colburn, Mr. and Mrs. Chas. E. Russell and Mrs. Velma Dobbs attended the funeral of A. W. Buffington at Greens Chapel in Cameron with burial in Ben Arnold Cemetery Tuesday afternoon.

Mrs. Jennie Barrett and Mrs. Doloris Reisinger have returned home after a few weeks visit with relatives in Lockhart and San Antonio, Texas.

Mr. and Mrs. Walter Blansett of Baytown, Texas spent the week end in their country home here and the following group enjoyed Bar-B-Q dinner with them Friday night. Mr. and Mrs. Johnnie Measles and children, Mr. and Mrs. Frank Phillely and children, Mr. and Mrs. G. W. Lock, and sons, Mr. and Mrs. R. L. Copeland, Bruce Ray of Temple, and Mr. and Mrs. W. G. Lock Sr., of Rogers, Texas.

Mr. and Mrs. Chas E. Russell

attended the Quilting Party and covered dish luncheon in the home of Mr. and Mrs. Sambo Harvell at Maysfield last Thursday. The men enjoyed 42 and dominoes while the ladies were quilting.

Mr. and Mrs. Arthur Reisinger and daughter of Fort Worth spent the week end with his mother, Mrs. Doloris Reisinger, and Aunt Mrs. Jennie Barrett.

Dr. and Mrs. Manahann of Waco (Substitute for Bro. W. M. Beal PASTOR WERE Sunday guests in the home of Mr. and Mrs. Euell

New Sundae For Spring

If you're looking for a new way to serve cake and ice cream, and a way to solve that age-old question of which piece of silver to serve with it—fork or spoon—or both—you'll like today's suggestion of serving cake in petal fashion around ice cream. There's no question of silver service here—you use a fork.

You'll like the cake idea, too, for it is crosswise slices from a packaged dime banana flip from your grocer's ready-to-eat cake department. Try this bevy of Sundae ingredients, allowing one banana flip per serving.

Butter Pecan Sundae

4 banana flips
1 pint butter pecan ice cream
Chocolate sauce

Whipped cream
Maraschino cherries or
Chopped nuts

Cut chilled flips crosswise into 1/4-inch slices. Arrange petal fashion on dessert plate, putting triangular end pieces in center where they will be under the ice cream. Center a scoop of ice cream over cake slices and top with sauce, whipped cream, and cherries or nuts, if desired.

Russell.

Mr. and Mrs. Chas Russell visited in the home of Mr. and Mrs. Lee Lock of Buckholts, Sunday afternoon.

Mrs. Velma Dobbs visited Mrs. Ora Griffin Sunday P.M.

Mrs. Jennie Barrett and Mrs. Doloris Reisinger visited Mr. and Mrs. W. A. Wilkerson in Cameron Saturday.

Mr. and Mrs. Joe Kubica visited her sister Miss Annie Maca in Buckholts Sunday afternoon.

Many patrons and friends of Mi-

lano School showed their loyalty and interest to the School by the many visits made last week. The teachers were extra nice by showing the people over the School and especially in their rooms and in explaining how the School was run. It was reported by the Supt. that over 100 made visits to the School last week.

Robert Earl Brashea was a happy little boy Thursday when his mother invited a number of his little friends to come and enjoy his third birthday with him. They

played games and had refreshments.

Mrs. Ray Miller, Mrs. Mattie Malone, Mrs. Maggie Miller and Mrs. Harven Reese and two little children spent Wednesday in the home of Mr. and Mrs. Carrol Davidson at Minerva.

Mrs. Ray Miller and Mrs. Maggie Miller enjoyed an all day quilting at the home of Mrs. Alex Kcmegay Friday where there was a large crowd present.

Mrs. Cecil Butler of Gause was a guest in the home of her sister Mrs. Maggie Malone, here last week.

Mr. and Mrs. Haold Loewe were week end visitors of her grandparents, Mr. and Mrs. Asa McGregor they returned to their home at Carrigo Springs Sunday afternoon.

Mrs. Webb McCollum is in West, Texas where she plans to be several weeks visiting with relatives and friends.

Mr. and Mrs. Frank Brock were called to Cameron by the death of his father. They have the sympathy of Milano people in their bereavement.

Weekend visitors in the M. J. Pierce home were Mr. and Mrs. Wallace Pierce Mr. and Mrs. Herakel Davidson of Austin Mr. and Mrs. Monroe Pierce and children of Houston.

Miss Clara Shaffner of Belter

Pack 213 Scouting For Ticket Buyers For Waco Scout Circus

By E. O. Schiller Jr.

The Cub Scouts of Pack 213 have received their tickets for the Scout Circus to be held in the Heart O'Texas Coliseum, Waco, Texas, on April 6 and 7, and have begun the sale of these tickets. The tickets being sold are general admission tickets. Children will be admitted free when accompanied with adults.

Cubs, Scouts and Explorers selling the required number of tickets can earn for themselves Official Scout Equipment such as Neckchief Slide, Scout Knife, Scout Flashlight, Cook Kit, and a One Quart Canteen. Also one boy from

is here visiting her sister Mrs. Mittie Newman.

Mrs. Willard Pierce and children were Sunday guest in Gause visiting in the home of her sister Mr. and Mrs. Wilson and family.

Mr. and Mrs. Arthur Moore of Temple were guests of their mother Mrs. Dan Robinson here Sunday.

Milton, son of Mr. and Mrs. Willard Perce was bitten on his leg one morning while delivering paper by a dog. So far it has not given him any trouble.

the Heart O'Texas Council living outside of McLennan County that sells the most tickets to this Circus will be awarded a trip by Air to Hollywood, Calif. for a three day visit with Audie Murphy, all expenses being paid. Each unit who's boys are selling tickets will benefit from these ticket sales, as they will receive a commission on each ticket sold before April 1.

The theme for this years Circus is "Building Tomorrow's Better Texas". Events will consist of Grand Circus Parade, Story Book Land presented by Cub Scouts; Adventure in Scouting, Fun in Scouting, presented by Scouts; and Operation "Exploring", and Pioneering, Camping and Indians presented by Explorers.

Cub Scouts from Pack 213 of Cameron will take part in the Scout Circus on Friday night, April 6.

GMC brings you the most impressive improvements of all 1956 trucks

Now we can show you these great new GMC's that are further than ever ahead of all others. Their advances not only clinch power supremacy—but reach into fields still unexplored by other truck-makers.

For example, GMC's Road Shock Damper Suspension*—plus a unique new stabilizer—produces in half-ton models a ride comparable to the finest passenger car.

An optional new fast-ratio cruising axle in light-duty GMC's gives you an overdrive's pace and economy without its cost.

Sharply increased engine displacement in both sixes and V8's gives you a power family unsurpassed in

the light-duty field. Specifically, we offer 14.4% GREATER displacement on 6-cylinder models, 16.2% on V8's than our nearest competitors. And GMC V8's, mind you, match the shortest stroke ratios in the truck industry.

Styling is well into the future—panoramic windshield to sand-tight tail gate. Tubeless tires, of course. And a 12-volt electrical system is standard. These are some of the strides presented in new 1956 Blue Chip trucks we now have on view. The values are even more notable. Come in and get the facts!

*Standard on Suburban; optional at slight extra cost on other 1/2-ton models

Your key to Blue Chip value
